READ—the following papers :—

From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Dowlaishweram, 12th August 1887, No. 1301 G.D.

With reference to paragraph 3 of my letter, No. 553 G.D., dated the 31st May 1887, printed with G.O., No. 1684 W., dated the 23rd June 1887, I have the honor to submit herewith an estimate, amounting to Rs. 1,110, for “converting the store shed at Ralli into a division office,” and to request that you will be so good as to obtain the sanction of Government to the same.

2. Nothing but what is *essentially* needed to make the shed suitable for use as a division office is provided in the estimate.

3. As the construction of the shed was originally sanctioned under “Capital Expenditure on Irrigation Works not charged against Revenue,” the estimate now submitted is also classed under the same head if so sanctioned, and it will have to be met from the balance available for unforeseen works connected with the Godáviri delta project estimates, but I consider that the present estimate would be more fairly charged to “Provincial.”

No. 60 E.W.

Forwarded to the Chief Engineer, Public Works Department, with a recommendation that the estimate, amounting to Rs. 1,110, for converting the store shed at Ralli in the Godáviri Central division into a division office, may be sanctioned from Provincial funds under Civil Buildings, a reference being made in the General Branch to the Government of India under clause VIII (c) of paragraph 1880 of the Public Works Code as regards the transfer from Irrigation to Roads and Buildings.

OOTACAMUND,
23rd September 1887.

(Signed) J. P. DAVIDSON,
for Chief Engineer for Irrigation.

ORDER—dated 19th October 1887, No. 2787 W., Public Works.

The estimate, amounting to Rs. 1,110, for converting the store shed at Ralli into an office for the Godáviri Central division, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial, No. 104 W. of 1887-88, and classified as Civil Buildings, Original Works.

3. Ordered that a copy of these proceedings be forwarded to the Government of India with the request that sanction may be accorded to the transfer of the shed from Irrigation to Provincial Civil Works with reference to clause VIII (c) of paragraph 1880 of the Madras Public Works Code.

SIR,

An estimate for converting the Storeshed at Ralli into an office for the Godavari Central Division was sanctioned in G.O. No. 2787 W. dated the 19th October 1887; but funds have not yet been allotted for execution of the work; till the work is carried out the office business is difficult to transact & Government property connected with it is insecure ~~to keep in it will not be safe~~. I therefore request that you will be so good as to allot funds to allow ^{the} work to be proceeded with at once.

I have the honor to be,
Sir,
your most obedient servant

G. J. Walch.
