PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following letter from J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer for Irrigation, dated Bezvada, 19th February 1888, No. 410 B.C.:—

I have the honor to forward herewith for your approval, sanction of Government, and publication in the *Fort St. George Gazette* a draft notification received from the Executive Engineer of the Buckingham canal division declaring the wharf wall at Maipad in the 109th mile 5th furlong of the Buckingham canal to be a wharf under the revised navigation rules.

2. I also send for publication in the gazette rules for the regulation of the Buckingham canal traffic at the Maipad wharf for general information and guidance of merchants, boat owners, and boat men engaged in the traffic of the canal.

3. A statement of proposition for the revision of the navigation establishment of the canal, consequent upon the abovenamed wharf being thrown open to the public, is enclosed for the sanction of Government.

ORDER—dated 8th March 1888, No. 172 I., Public Works.

Ordered that the draft notification and rules as amended be published in the *Fort St. George Gazette* and *Nellore District Gazette* for a period of six weeks as provided by section 23 of Act I. of 1870 and be then taken up for reconsideration together with any objection that may have been received.

2. The proposition statement submitted by the Superintending Engineer for the additional establishment required to work at the wharf will be dealt with in the General Branch.
