9TH APRIL 1888, No. 1067 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), dated 2nd August 1887, Mis. No. 466, Forest.

J. H. GARSTIN, ESQ., C.S.I.

Read—again the following papers:—

Board's Proceedings, dated 17th June 1887, No. 370, Forest.

ABSTRACT.—Requesting the Consulting Architect to Government to submit a plan of the record-racks and shelves proposed for the Board's Forest office room.

Board's Proceedings, dated 22nd July 1887, No. 445, Forest.

ABSTRACT.—Requesting the Consulting Architect to Government to make provision in the estimate for record-racks for battening the racks at the back up to the top in view to prevent papers being taken from behind.

Read—also the following letter from the Consulting Architect to the Government of Madras, to the Secretary to the Commissioners of Land Revenue, dated 27th July 1887, No. 626:—

With reference to the Board's resolution, Mis. No. 445, dated the 22nd instant, I have the honor to return the plan and estimate for the racks, and to state that provision has been made in the estimate for boarding the back of the racks up to the top.

Resolution—dated 2nd August 1887, Mis. No. 466, Forest.

Submitted to Government for sanction.

2. The Board's Forest office has, since the reorganisation of the Board, been moved into the ground-floor on the southern side of the office, next to the offices of the Conservators of the Northern and Southern Circles. The provision of the racks now proposed will economise a great deal of space and furnish accommodation for the forest records for many years to come.

(A true Copy and Extract.)

(Signed) M. HAMMICK,
Acting Secretary.

Mis. No. 4898, Revenue.

Approved and transferred to the Public Works Department.

(By Order.)

(Signed) H. A. STUART,
Under Secretary.

OOTACAMUND,
19th August 1887.

No. 3222 C.

Forwarded to the Superintending Engineer, V Circle, with request that the General Superintendent, Public Works Stores, may be asked to submit plans and estimates for iron racks in lieu of the wooden ones estimated for by the Consulting Architect to Government.

2. The four lower tiers should be fitted with doors, locks and keys.

23rd September 1887. (Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, P.W.D.

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Bangalore, 9th November 1887, No. 3198.

In returning your endorsement, No. 3222 C., dated 23rd September 1887, I have the honor to forward a plan and an estimate submitted by the General Superintendent for iron record-racks for the Forest Department of the Revenue Board office.

No. 4128 C.

Forwarded, through the Revenue Department, to the Board of Revenue for approval to the proposal to provide iron instead of wooden racks.

2. No provision has been made in the estimate for painting the iron racks, but, if the proposal be approved, it will be arranged to have them painted.

17th November 1887. (Signed) J. O. HASTED, Colonel, R.E.,
Secretary to Govt., P.W.D.

Proceedings of the Board of Revenue (Land Revenue), dated 7th December 1887, Mis. No. 769, Forest.

J. H. Garstin, Esq., c.s.i.

Read—endorsement of the Government, Revenue Department, dated 22nd November 1887, No. 7150, forwarding that of the Public Works Department, dated 17th November 1887, No. 4128 C., regarding provision of iron instead of wooden racks for the Forest Department of the Revenue Board office.

Resolution—dated 7th December 1887, Mis. No. 769, Forest.

The substitution of iron for wooden record-racks is approved, but the Board do not understand the drawing of the "plan" of the racks as there is no wall at the back of them. They are intended to run across the middle of a room from wall to wall and merely touch the walls at each end.

(True Extract.)

(Signed) R. S. BENSON,
Acting Secretary.

No. 7693, Revenue.

Transferred to the Public Works Department.

(By Order.)

Fort St. George,
14th December 1887. (Signed) H. A. STUART,
Under Secretary.

No. 4773 C.

Retransmitted to the Superintending Engineer, V Circle, who will point out to the General Superintendent, Public Works Workshops, that the record-racks are to be placed across a room and not against a wall. Provision should be made in the estimate, if necessary, for the bars from the top of racks to the walls and also for painting the racks.

2. Early resubmission of the papers requested.

(By Order.)

Chepâk,
20th December 1887. (Signed) W. L. C. BADDELEY, Captain, R.E.,
Under Secy. to Govt., P.W.D.

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 19th January 1888, No. 4415.

With reference to your endorsement, No. 4773 C., dated 20th December 1887 (herewith returned), I have the honor to forward a revised estimate of Rs. 790 submitted by the General Superintendent, Public Works Workshops, in which provision is made for the bars from the top of racks to the walls and also for painting the racks.

No. 419 C.

Retransmitted to the Board of Revenue for approval, provision having been made for placing the record-racks across a room so that both sides of the rack can be used.

(By Order.)

Chepâk,
1st February 1888. (Signed) W. L. C. BADDELEY, Captain, R.E.,
Under Secy. to Govt., P.W.D.

Office note from J. H. GARSTIN, Esq., Forest Member, Revenue Board (Land Revenue), to the Under Secretary to Government, Public Works Department, dated Chepâk, 3rd February 1888.

The position of the proposed record-racks for the Forest Department is rather peculiar. A large room is divided between the clerks of *two offices*, one of which is that of the Forest Department, Revenue Board. The record-rack is proposed to be placed right across the room, but is intended to contain the records of only *one* office (Forest Department, Revenue Board), and to be used only on *one* side, not on *both*, so that access to the records on one side should be barred against the clerks of the other office.

2. How this is to be effected is a matter for consideration by the Public Works Department officer in charge of the work and may affect the estimate. Probably iron straps placed diagonally and at about one or two inches apart so as to admit of ventilation would be best, or else perforated sheeting of some kind.

No. 595 C.

Office note from the Forest Member, Board of Revenue, dated 3rd February 1888, relative to plan of record-racks for the Forest office, forwarded to the Superintending Engineer, V Circle, with previous papers, in view to the plan and estimate being modified accordingly.

2. Early return requested.

CHEPÂK,
10th February 1888.

The Revenue Deptt: approve of Iron Racks instead of wooden ones but point out that they are not to be placed along the walls of the building but across a room. This will probably necessitate some alteration in the designs & Estimate.

No alteration is necessary beyond the provision of the bars, from the tops of the racks to the walls – Inform the Genl Deptt that the racks will have to be placed across a room & not against a wall.

Wooden racks placed against a wall, will be very subject to the attacks of white ants.

I would suggest that iron racks be substituted.

The workshops could arrange to turn the 4 lower shelves into cup-boards –

The papers might be sent to the Genl. Deptt. through S.E. for the submission of the plans & estimate.

In Mr Barrington's Estt the rates given for 1/2" plumbing are 20 As and 4.0 Rs but the reason for the difference is not apparent.

Current No. 9108
Letter No. 3198
Dated the 9th November 1887
From the Supg. Engr. II Circle

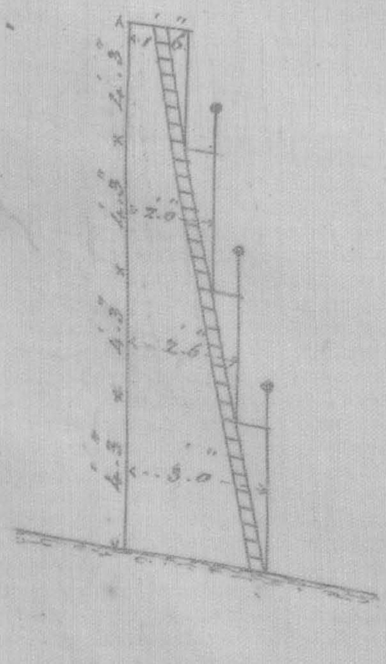
NOTE OF REMARKS.

In accordance with this Office endorsement No 3222C d/ 23rd September/87 the Supg: Engineer submits for sanction an alternative Estimate, from the P.W. Workshops, amounting to Rs775 for constructing an iron record rack for the Forest Deptt located in the Office of the Board of Revenue.

By the adoption of iron instead

of wood for the construction of the rack a saving of Rs 341 has been effected; but it appears to be necessary that the rack should be painted with two or three coats of Carsons Anti corrosive paint for which or for any other kind of paint no provision is made in the Estimate -

Bolting the rack to the wall appears to be open to objection as it might result in injury to the wall by the expansion and contraction



Here is a sketch in margin -

of the iron rack - This may be obviated by having the rack constructed of different widths e.g. divide the whole height into four equal parts allowing the lowest or the one resting on the ground a width of 3', the one above it 2'-6", the third tier 2', and the topmost one 1'-6". Each tier may have an additional projection of 6" to admit of a man walking along the face of the rack and who will be protected from falling by means of ~~an~~ iron rods placed along the face of the racks supported on stanchions. The ladder ~~could~~ may be made a fixture.

A rack of this kind would not require to be fixed to the wall to keep it in position, and it would be more convenient to get at the records -

12/11/87

The iron racks must certainly be painted. There is no fear of damage to the walls by the expansion & contr? of the iron, for the range of the therm.r is very small, and the slack play in the bolts will counteract any possible expansion or contraction.

The Est. for iron racks may be revised with an allowance of 10 Rs each for painting.

21/1067

8 P

REVENUE BOARD OFFICE
MADRAS.

Proceedings of the Board of Revenue. / Land Revenue /

Dated 7th December 1887.

Forest No. 769, Miscellaneous.

J. H. Garstin, Esquire, C.S.I.

READ endorsement of the Government, Revenue Department, dated 22nd November 1887, No. 7150, forwarding that of the Public Works Department, dated 17th November, 1887, No. 4128C regarding provision of iron, instead of wooden, racks for the Forest Department of the Revenue Board Office.

Resolution.

The substitution of iron for wooden record racks is approved, but the Board do not understand the drawing of the 'plan' of the racks as there is no wall at the back of them. They are intended to run across the middle of a room from wall to wall and merely touch the walls at each end.

No. 4415.

Record racks for the Forest Branch of the Rev: Board Office.

Forwards a revised Estimate of Rs. 790 submitted by the General Supt. P.W. Workshops.

With Endorsement

OFFICE NOTE.

From

The Forest Member,
Revenue Board (Land Revenue

To

The Under Secretary to Government
Public Works Department

The position of the proposed record racks for the Forest Department is rather peculiar. A large room is divided between the clerks of 2 offices one of which is that of the Forest Department, Revenue Board. The record rack is proposed to be placed right across the room but is intended to contain the records of only one office (Forest Department, Revenue Board) and to be used only on one side not on both, so that access to the records on one side should be barred against the clerks of the other office.

Ston

How this is to be effecte
a matter for consideratio
y the Public Works De-
partment Officer in charge
f the work and may affect
the estimates. Probably iron
traps placed diagonally,
ed at about 1 or 2 inche
apart so as to admit of ven
lation would be best-or
the perforated sheeting of
me kind.
