GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaiswaram, 23rd March 1888, No. 2874 G.D.

In submitting herewith, for your perusal and return, letters noted in the margin,

Collector's letter, No. 117, dated 9th July 1887, in original, to be returned.

Copy of letter from the Officer in charge of Pensioners, Rajahmundry, No. 90, dated 20th February 1888, to be returned.

* No. 2, for office use by the Officer in charge of the Pensioners.

† No. 4, for office use by the Sub-Collector as his office.

received from the Collector of Godáviri and the Officer in charge of Pensioners at Rajahmundry, together with a tracing of the block plan (will follow) of the old district jail which is now under charge of this department, I am to request that you will be good enough to obtain the sanction of Government for transfer of Nos. 2* and 4 † buildings to the above named officers for public use.

2. The Executive Engineer, Godáviri Eastern division, has been requested to submit an estimate for necessary repairs required to these buildings.

ENCLOSURES.

From W. A. HAPPELL, Esq., Collector of the Godáviri District, to the Superintending Engineer, I Circle, dated Cocanada, 9th July 1887, No. 117.

I have the honor to request that you will be so good as to send an early reply to this office endorsement, No. 39, dated 15th March 1887, on Sub-Collector's letter, No. 83, dated 18th February 1887, requesting to be informed whether a portion of the district jail building can be made available for the Sub-Collector's office, and, if so, to be furnished with an estimate for the expenditure that will be required to put it in order.

From Lieutenant-Colonel J. S. BLAXLAND, Officer in charge of Pensioners, to the Executive Engineer, Dowlaiswaram, dated Rajahmundry, 20th February 1888, No. 90.

In returning to you the three plans forwarded with your demi-official of the 11th instant, I have the honor to request that the building No. 2 may be handed over to me as my office. To make it thoroughly suitable, it would require a small thatched verandah in front to keep out the morning sun and a door pierced through the back wall exactly opposite to the door on the left hand as you stand facing the front of the building. To make it thoroughly complete, a couple of punkahs swung the length of the room, so that one cooly could pull both, would be a good addition.

12TH APRIL 1888, No. 1097 W., PUBLIC WORKS.

ORDER—dated 12th April 1888, No. 1097 W., Public Works.

The proposed transfer of the buildings is sanctioned.
