Passing orders on a case of insolvency in regard to the period of suspension, its interruption of previous service for privilege leave & pension &c.

4 The Examiner should have reported What arrangement was made for the performance of Mr. Boyton's work during his suspension, and whether any extra charge was thereby incurred to the state. It must be taken as a fixed rule that in no case will the Government Consent to bear Extra Charge on account of arrangements brought about by the improvidence of their servants.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper

Endorsement of the Public Works Department dated 24th February 1888, No. 802 C. on office note from the Examiner, Public Works Accounts, No 1098 dated 22nd February 1888.

Order thereon dt 31/3/88. No. 336.

The Government decline to reconsider their order reinstating Mr. Boyton without arrears of pay.

2 In this as in all other cases the period of suspension runs up to the date of the Government order upon the case. If it were allowed to terminate on the date of the Court's discharge as suggested by the Examiner, the result would be that the suspended officer would draw full pay for a period during which he had done no work.

3 The period of Mr. Boyton's suspension will be considered as not interrupting his previous service for privilege leave, but shall not itself qualify for such leave. It may count however as service for pension.
