List of stores in Sec's
Office.

On looking through
the latest order again.
I find that the return
should be made out
for the Annual year -
vide G.O. no 943 & 22-7-87,
Financial.

The list might
perhaps lie over until
1st April, when it will
again be checked,
& then submitted to
the Genl., the necessary
alterations being made
in headings.
