

No 519.

Government workshops office
Dowlaicharam 24th July 1888

From

The Executive Engineer
Govt workshops

To

The Superintending Engineer
1st Circle.

Sir,

With reference to Clause 1
Rule 3 of Appendix G, I have the
honor to submit herewith for sanction
of Government an application for the
purchase of certain English stores
locally during 1887-88. This also includes
unauthorized purchases already made
this year, of which I forward a list.

2. These articles were not indented for
on the Secretary of State at the time
of submitting the last indent, as it was
intended to purchase the articles in
question in quantities of less value
than Rs. 50/ at a time under note 1
of Rule 3 Appendix G. modified by
Standing Order No 65 of 4-2-87
but as this ruling is subsequently

limited by Standing Order No 157
of 21-7-87. this procedure is
rendered irregular

3. I also forward a similar list
for sanction for 1888-89. as it is not
likely that the Supplementary Budget
for English Stores submitted on 24-2-88
will be received till the beginning
of 1889.

4. As it is impossible to trace
or to compare the quantities of the
same article in the list of the suppliers
in India and the list of stores,
from which the value in England
is calculated. the comparative values
in the form herewith sent is of but
little practical use.

I have the honour
to be, Sir,
Yours faithfully,
Sd/- J. G. Paul 24/2/88
Executive Engineer.
