SIR,

P.W. 10592/87

I have the honor to report, with
reference to G.O. No. 1577 W dated
11th June 1887, that upon the sanc-
tion given by my predecessor under
Code para 1720 there has been another
sale by public auction of 32½ tons of
Teakwood Kinkomallee and Cedar
wood cuttings at the P.W. Works
shops. The book value of the
32½ tons of cuttings is Rs. 896-14-
and the sum realized by
sale after deducting Auctioneer's
commission is Rs. 381-9-8. I re-
quest that sanction may

be

be given to the necessary adjustment
being made in the account of
the loss of sale which amounts to
Rs 515-4-4. The difference
between the book value of the
38 tons of teakwood cuttings sold
on the previous occasion allu-
= ded to in this Office No. 331 of 20
April 1887 - and the book value
of the 32½ tons now sold is
due to the rate for Teak-
wood Cuttings for 1886-87 having
been fixed at Rs 40 per ton
and the rate for 1887-88 at Ru.
= pces 28-2-0 per ton.

I have the honor to be
Sir
Your Most Obedient
Glad to be
J. A. R. G.
Superintendent Engineer
S. Circle

Requests that Same-
tion may be given to
the adjustment of No.
515-4-4- in the accounts
of loss of sale of $32\frac{1}{2}$
Tons of - by Public Auction.
