From

Capt. W. L. C. Baddley R. E.
Dy. Chief Engineer P. W. D.
In charge Govt. Litho. Press

To

The Secretary to Govt.
Public Works Dept.
Calcutta.

Sir

I have the honor to inform you that in consequence of the retirement of Mr. R. J. Baldrey on the 30th September 1887. I am desirous of making some promotions among the employes of the Govt. Litho. Press, but before doing so. I wish to know whether the rules regarding promotions of unpassed Candidates must hold good

I would point out that the work required in the Press is purely technical, and as the men whom I wish to promote have done good service for several years, I think it would not be advisable to insist on the general Standard of Knowledge

Knowledge required under G. O.
Educational No: 482 of 28th July 1886
nor do I think that the Certificates
for Draughtsmen given by the Civil
Engineering College should be a
Sine qua non for the promotion of
Draughtsmen in the Litho: Press who
have proved themselves to be capable
workmen.

The unpassed men whom I
wish to promote are S. Parthasarathy
Naidu, from 15 Rs. to 20 Rs. and
M. Cothundapany Moodely from
10 Rs. to 15 Rs.; they have been em-
ployed as Draughtsmen 16 and 6 years
respectively in the Govt. Litho: Press,
and should it be considered that
the usual tests are necessary in
their cases, I would beg to request
that they may be finally exempted;
for I feel sure that although they
are very useful and intelligent
men in their present technical
employment as Lithographic
Draughtsmen, they would not
be

be able to pass the general Drawing
test at the Civil Engineering College,
and will therefore be debarred from
promotion which they otherwise fully
deserve.

I have the honor to be
Sir
Your most Obedt. Servant,
W. C. Badger, Capt. R. E.
Dy. Chief Eng. P. W. D.

Proceedings of the Madras Government, Public Department,
from 30th July to 5th August 1859.

No. 57. Read the following letter from Captain F. J. B. PRIESTLEY, Superintendent Revenue Survey; to H. NEWILL, Esq., Director of Revenue Settlement, dated 29th July 1859, No. 940.

By a recent order of Government, Moochies have been exempted from the Uncovenanted Civil Service Examination Rules.

2. The duties of Printers and Tracers in the Lithographic Establishment do not call for a greater exercise of intellect than those of Moochies. They are absolutely mechanical.

3. I have, therefore, the honor to request, that the permission of Government may be obtained to their being similarly exempted from any intellectual examination.
