Madras.

SIR,

Enclosures.

I have the honour to request that sanction with retrospective effect may be accorded to the Executive Engineer Kurnool paying only Rs. 25 for the house occupied by him at Kurnool on the understanding that half the house is always held available for officers of this Department on inspection duty. The value of the building is Rs. 8,500.

I have the honour to be

The proposal appears to be inadmissible. The rent of Rs. 50/ seems a fair rent with reference to the value of the building, and this apparently is not disputed.

The building was taken over
with the Kurnool Canal from the
late Irrigation and Canal Company
in 1882, having previously been the
Company's Upper Division Executive
Engineer's office. Its original
cost was Rs.5,025.

It was converted into a
dwelling house expressly for the
Executive Engineer Kurnool Canal Divi-
sion at an actual cost of Rs.3,522, and
the rent fixed at Rs.50 per mensem, or
