Accounts and Finance—Rules and General Matters.

As inconvenience and waste of time are caused by Local Governments occasionally addressing direct to this Department communications which should be sent to the other Departments of the Government of India, I am directed to remind the Government of Madras that only the Departments detailed in the margin are administered directly in the Department of Finance and Commerce. All communications relating to the administration of these Departments should be addressed to the Secretary to the Government of India in the Department of Finance and Commerce.

Excise.	Post Office.
Customs.	Merchant Shipping.
Salt.	Ports and Port dues.
Opium.	Lighthouses and Light dues.
Stamps.	Pilot Services.
Mint.	

2. Communications relating to any other branch of the administration, even though they contain application for an increase of expenditure, or for any other financial concession, should be addressed to the Government of India in the Department in which the service to which the communication relates is administered. The Administrative Department of the Government of India will make the needful reference to the Department of Finance and Commerce.

3. All applications, however, in whatever Department arising, for the relaxation of any rule or order of the Government of India in the Department of Finance, should be addressed to the Financial Department. Arrangements will be made in the Financial Department for the consideration of all such cases in the other Departments concerned, whenever from their importance or for any other reason this appears desirable.

Copy forwarded to the several Departments of the Government of India.

READ—the following papers:—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 24th January 1888, No. 193 G.

In referring you to Government of India Finance Department letter, No. 2998, dated 31st August 1883, sanctioning a conveyance allowance of Rs. 45 to the officer doing duty as Storekeeper at the Presidency, I am directed to state that the Government of India, having had recently under consideration the general question of carriage allowances, considers that the principle should be laid down that conveyance allowance is given at rates intended to enable officers to meet certain specific expenditure, and that Government is entitled in every case in which it is given at the maximum rate concerned to see that it is laid out in the way intended. In pursuance of this principle certain uniform rates of carriage allowance, varying to some extent with the scale of expensiveness of the stations at which these allowances are given, have been laid down. Thus, if an officer belongs to a class, judged by his salary, that would ordinarily maintain a carriage and horse for his private use, and in the performance of his duties he has to do a considerable amount of travelling within the five miles radius, it is considered that Government should give him as carriage allowance sufficient to maintain a single horse provided that it can be shown that he actually keeps an additional horse for the purpose, but not otherwise.

2. The allowance fixed on the above principles for Madras, as a station more expensive than a mofussil station, is Rs. 30, and it is proposed to give this allowance to the Storekeeper in future. I am to inquire whether, on a full consideration of the case and in the interests of economy, His Excellency the Governor sees any objection to applying this rate to the officer in question.

Letter from the " " V " " 18th " " " 4883.

ORDER—dated 1st March 1888, No. 708 W., Public Works.

His Excellency the Governor in Council, concurring in the principle laid down by the Government of India for the grant of carriage allowance, considers that the allowance hitherto drawn by Mr. Gray should be reduced to Rs. 30 per mensem, the sum fixed for the Presidency town.

2. The reduction will have effect from the beginning of next official year.

LETTER—to the Secretary to the Government of India, Public Works Department, dated Fort St. George, 1st March 1888, No. 709 W.

I am directed to acknowledge the receipt of your letter, No. 193 G., dated 24th January 1888, inquiring whether the conveyance allowance of Rs. 45 per mensem drawn by the Storekeeper at the Presidency might not be reduced to Rs. 30 under the circumstances explained by the Government of India.

2. In reply, I am to say that His Excellency the Governor in Council admits the correctness of the principle laid down for the grant of such allowances, and has accordingly resolved that the allowance of Rs. 45 hitherto drawn by Mr. Gray shall, with effect from the beginning of the next official year, be reduced to Rs. 30 per mensem, the sum fixed for the Presidency town.
