GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Establishment.

READ—the following papers:—

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Bangalore, 21st June 1887, No. 1324:—

I have the honor to inform you that the Executive Engineer, Chingleput division, has sanctioned, under Irrigation and Navigation, an estimate of Rs. 72 for the employment of a temporary lascar under sub-overseer for 1887-88, and the Executive Engineer, North Arcot division, has submitted an estimate of Rs. 72, for sanction, for the employment of a similar lascar, under Irrigation and Navigation, and further explains that a sub-overseer, doing exactly the same work as an overseer, cannot be reasonably denied a lascar to help him in measuring works and carrying messages, &c. I am not aware of any order sanctioning the employment of a lascar for a sub-overseer from the works grant nor under establishment, and therefore request the lascars may be specially sanctioned.

Office note from the Examiner, Public Works Accounts, dated 15th July 1887, No. 337.

In paragraph 1 of G.O., No. 1079 W., dated 8th May 1885, Government have already ruled that lascars cannot be allowed to sub-overseers, and I would suggest that, if this ruling is now confirmed, it should be codified.

ORDER—dated 1st August 1887, No. 2048 W., Public Works.

No office establishment can be allowed to sub-overseers (*vide* G.O., No. 923 W., dated 18th April 1885). The Examiner, Public Works Accounts, will arrange to embody this ruling in the Public Works Code.

I request under the circumstances that orders may be passed to enable the Examiner to adjust the Lascar's pay Rs 32 under Temporary Establishment as a special case. The Lascar's services were dispensed with on the 7th October 1887—
