READ—the following letter from Colonel E. H. COLLEN, Officiating Secretary to
the Government of India, Military Department, to the Inspector-General of
Military Works, dated Simla, 28th June 1887, No. 1297 M.W.:—

I am directed to acknowledge the receipt of your letter, No. 1059 B, dated 9th
May 1887, on the subject of accommodation for hospital purveyors.

2. With reference thereto, I am to state that, after full consideration of the
subject, it is held to be essential to the efficient working of the purveying system
that the hospital purveyors shall live in the hospitals.

3. The scale of quarters considered suitable for hospital purveyors is that laid
down for hospital assistants as per type plan No. 11.

4. I am therefore to convey the sanction of the Government of India to the
addition of a building on this scale to the list of authorised accommodation to be
provided in hospitals. The necessary corrections and additions will accordingly be
made in the Army Regulations.

5. I am to add that the accommodation now authorised should be provided as
soon as practicable in all hospitals for British troops by the adaptation of existing
buildings or by the erection of new quarters. When the requisite accommodation is
ready, purveyors will, in all cases, be required to reside therein, and compensation for
quarters will cease.

ORDER—dated 9th July 1887, No. 1839 W., Public Works.

Communicated to the Superintending Engineers concerned, for information and
guidance, and for early submission, through the military authorities, of plans and
estimates, with reference to paragraph 5 of the foregoing letter.
