G. O. No. 740 W. dated 3rd. March 1888.

Herewith, for the approval of the Government, a draft standing order, based on the resolution of the Government of India communicated with G. O. No. 740 W. dated 3rd. March 1888, regarding officers of Government accepting other employment without the consent of their departmental superiors.

2. In the proposed para 48 B, which is based partly on the present para 48, the words "competent authority" occur, and it seems desirable that Government should define who is to be the "competent authority" in such cases. It appears to me that Government is the only authority capable of making the declaration in question, except so far as the disqualification may follow, as a

16TH FEBRUARY 1888, No. 182, PUBLIC.

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—the following paper:—

Resolution of the Government of India, Department of Finance and Commerce,
dated Calcutta, 31st January 1888, No. 546.

It has been brought to the notice of the Government of India that officers employed
under Government sometimes obtain leave of absence, with the intention of taking up
other employment under Government or otherwise, or accept such employment while
on leave. Where this is done with the previous knowledge and consent of the officer's
departmental superior, the practice is not open to objection. There is reason however
to believe that, in the absence of any specific directions, officers are apt to consider it
unnecessary to obtain the consent of their immediate superior before accepting employ-
ment elsewhere; and as it seems advisable that this practice should be discontinued,
the Governor-General in Council has prescribed the following rules:—

- 1.—No Head of an office should employ, either temporarily or permanently,
an officer belonging to another establishment, without the previous
consent of the officer on whose establishment he is at the time borne.
In cases in which, for reasons which may appear satisfactory to the new
employer, such consent cannot be obtained before the officer joins his
new appointment, his employment may be made conditional on consent
being obtained in due course.
- 2.—It shall be incumbent upon an officer employed under Government, whether
on leave or not, before accepting other employment, either to resign his
previous appointment, or to obtain the consent of his departmental
superior to his accepting such employment. If such consent is not
obtained, either previously or, when this is not possible, in due course,
the officer renders himself liable to be discharged from his previous
appointment, and thus to lose the benefit of his previous service for
pension.
2. There is nothing in these rules to prevent an officer on one establishment seeking
employment on another. But an officer is not placed under any disability by resigning
one appointment to take up another (Civil Pension Code, 101, 1); and it must be held
to be a breach of discipline, if an officer actually transfers his services to a new
employer without first obtaining the consent of his old employer, or definitely resign-
ing his old employment.

Order—

Ordered, that this Resolution be communicated to the several Local Governments,
Administrations, and Heads of Departments for information and guidance.

Ordered also, that the Resolution be published in the *Gazette of India*.
