GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Váyalpád, 23rd April 1888, No. 117:—

I have the honor to request that sanction may be accorded to the under-mentioned redistribution of subdivisions made with my approval in the Cuddapah division.

The taluks comprising the head-quarter subdivision transferred to the charge of the Subdivisional officer, altering the designation from "head-quarter subdivision" into "western subdivision."

The taluks of the eastern subdivision transferred to the charge of the Executive Engineer, to form the head-quarter subdivision.

This modification does not increase the number (2) of subdivisions authorised for the division in G.O. No. 913 W., dated 25th March 1887, and is considered necessary to suit the existing working staff of the division, but the Examiner requires the sanction of Government to the creation of "western" subdivision in lieu of "eastern" subdivision under para. 312 of the Code.

ORDER—dated 1st May 1888, No. 1262 W., Public Works.

Sanctioned.
