The Chief Engineer,
Public Works Dept.,
Ootacamund.

Sir,

In forwarding for your
information and favor of return to
this office when done with, the corres-
pondence marginally noted regarding

Memo. No. 6280 B of 23rd Decr. 1887
from Er. Mr. Gault in India
forwarding Proceedings of
Committee dated 7th June 1887.

Memo on the new type of Iron
framed hut Barrack type plan
of above.

the introduction of
a type of iron-framed
hut barrack equally
suitable for use in
the hills, or in the
plains during the

winter, for hatted camps, I am desired to
suggest that if you are not already in
possession of this correspondence, appli-
cation might with advantage be made
for copies of the same from the mili-
tary Works Department, so that
if at any time extra accommodation

had

to be provided at Wellington,
it might be so in this form, if
found to be economical.

I have the honor to be,

Sir,

Your obedt. servant,

W. P. R. Colonel,

Offg. Quarter Master Genl.
