GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

Read—the following papers :—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 7th March 1888, No. 2546.

The President, Blue Ribbon Army and Gospel Temperance Union, Bellary Branch, has appealed against a demand of the Executive Engineer for rent, at the rate of Rs. 5 per mensem, on account of the building occupied by the Union, known as the South Gate Guard-room in the Lower Fort, Bellary.

2. The building is valued at Rs. 3,000, and on the standard scale of 7½ per cent. on the value of the building, the rent should be not Rs. 5 but Rs. 18 per mensem. Government, however, in G.O. No. 1376, dated 7th September 1871, accepted Rs. 5 as rent from the Municipality of Bellary, who formerly rented the building, on condition of their executing ordinary repairs; and it is on this ruling that the Executive Engineer has demanded that rent from the present occupants, and, in his No. 1429, dated 27th August 1887, informed the Deputy Assistant Quarter-master-General, Ceded Districts, accordingly.

3. The President of the Branch now states that he particularly asked, when applying for the use of the building, whether they were to be allowed to occupy it rent-free, and was told, in reply, that, if not actually rent free, only a nominal rent of not more than 1 rupee per mensem would be charged. He therefore now appeals against the demand for Rs. 5 per mensem.

4. The President adds that soldiers form a very large proportion of the Association, and many who have not regularly joined them make use of the building; and considering the favorable light in which the military authorities view all that is done to promote the cause of temperance in the Army, and considering the funds of the branch are very limited, he thinks he is not asking too much of Government to consent to forego the rent of the building altogether, whilst it is used for its present purpose.

5. I cordially support the President's request, and pray that orders may be passed accordingly, only stipulating that internal repairs, such as white-washing, making good damages to flooring, punkahs, doors, and windows, &c., be carried out at the expense of the Union; whilst external repairs to the roof, walls, &c., will be carried out at the public expense. The Union will, as a matter of course, have to vacate the building if wanted for Government purposes at any time.

Office Note from the Examiner, Public Works Accounts, dated 23rd March 1888, No. 1258.

The South Gate Guard-room, Lower Fort, Bellary, is a military imperial building, and with reference to para. 2 of G.O. No. 2241 W., dated 22nd August 1887, the rent should not be fixed at a lower rate than 6 per cent. without the sanction of the Government of India.

From Colonel M. PROTHEROE, C.B., C.S.I., Officiating Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 20th April 1888, No. 1657 A.

In returning the correspondence received under Reference Order No. 2251 of the 5th instant, I am desired to forward, for the information of Government, letter No. 45 B.D., of the 17th idem, from the Officer Commanding Ceded Districts, and to state that, under the circumstances therein set forth, His Excellency the Commander-in-Chief supports the proposal to let the Society have the building rent free.

ENCLOSURE.

From Lieut.-Colonel W. W. HOOPER, Commanding Ceded Districts, to the Quartermaster-General, dated Bellary, 17th April 1888, No. 45 B.D.

In returning the correspondence received under your endorsement No. 1566 A., dated 11th April 1888, relative to the South Gate Guard-room in the Fort, Bellary, authorised temporarily as a reading-room for the Blue Ribbon Temperance Union, Bellary Branch, I have the honour to state, for the information of His Excellency the Commander-in-Chief, that the room in question may be said to be used entirely by the military of the garrison.

2. The Association is carefully conducted and presided over by gentlemen of the station, and it is very desirable that every facility should be afforded this institution of carrying out the scheme of temperance in the station. I therefore concur in the recommendation of the Superintending Engineer set forth in para. 5 of his letter, as the funds of the institution are very limited, and I believe it would be a great help to the Association if Government would forego the amount of rent asked for the room.

2. The Government, in the Military Department, approve the proposal to let the Union have the South Gate Guard-room, Lower Fort, Bellary, rent free.
