

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—again the following G.O., dated 6th February 1888, Mis. No. 839, Revenue:—
Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 11th January 1888, No. 22:—

H. S. THOMAS, ESQ., F.L.S., F.Z.S.

Read—the following letter from R. FISCHER, Esq., Chairman, Municipal Council, Madura, to the Collector of Madura, dated Madura, 24th November 1887, No. 1682:—

In enclosing copies of papers noted in the margin, I have the honor to request that you will be good enough to obtain sanction of Government for the occupation by the Municipality of the piece of land to the west of the Municipal office measuring $48\frac{1}{4} \times 18\frac{1}{2}$ feet as per accompanying sketch, marked yellow.

- (1) Copy of Resolution, No. 100, dated 23rd April 1887.
- (2) Copy of Superintending Engineer's Memorandum, No. 492, dated 18th August 1887.
- (3) Copy of Resolution, No. 311, dated 5th November 1887.
- (4) Sketch of the locality.

2. As at present the Council are in great need of a store-room sufficiently spacious to meet their requirements.

3. The Superintending Engineer, as will be seen from the enclosed copy of his memorandum, has recorded, as his opinion, that he has no objections to the site being made over to the Council.

Endorsement by the Collector of Madura, dated Periyakulum, 9th December 1887, No. 731.

Submitted to the Secretary to the Commissioners of Land Revenue, Madras, with four papers (to be returned), in original, for favorable consideration and orders.

2. The undersigned thinks that the land in question may be handed over to the Municipality on the conditions specified by the Superintending Engineer.

(Signed) E. TURNER,
Collector.

ENCLOSURE No. 1.

EXTRACT from the Proceedings of the Madura Municipal Council passed at the meeting held on the 23rd April 1887.

100. Read proposal by Mr. Scott that a store-room for Municipal stores be erected on the north side of the Municipal office.
Resolved that an application be made to the palace authorities requesting for accommodation for Municipal stores on any terms that they may be disposed to ask for.

ENCLOSURE No. 2.

Memorandum from the Superintending Engineer, VI Circle, to the Executive Engineer, Madura Division, dated Kodaikānal, 18th August 1887, No. 492-M.D.

His letter No. 352-S E. of 6th instant. The sanction of Government will be necessary for the occupation of the ground by the Municipality in the manner proposed, and it will be better for application for that sanction to be made by the Municipality direct.

1. Overseer's letter.
2. Collector's letter with an enclosure.

2. In doing so, they can state that, in the opinion of this office, the neighbouring ground being already occupied by stable, latrines and other out-houses, there is no objection to the construction of the proposed store-room, provided it be built in a substantial and permanent manner.

3. The grounds on which the ground may be occupied must be decided by Government, but it may be added that it is not likely that this particular site will ever be wanted for public purposes, there being still ample ground in the vicinity for any new out-houses which are likely to be wanted.

4. It, therefore, appears hardly necessary to stipulate that Government shall have the power of resuming the ground, except upon payment of the amount which the Municipality may expend on their proposed store-room, with a reasonable allowance for depreciation, and this, it is presumed, could always be done under the Land Acquisition Act without any special stipulation.
