OFFICE NOTE No. 1416

Enc: 1

To
W.

A case has occurred in the Godavari Eastern Division where a remittance transfer receipt received in the course of business by a Sub-Divisional officer, and sent by him to the Treasury Dy. Collector for an order for payment at the sub-treasury, was lost in transmission; and the Accountant General Madras, on a reference made to him on the subject of preventing the recurrence of such losses states, that there is no objection to remittance transfer receipts being paid into treasuries by Executive Engineers, as part of their miscellaneous receipts, provided the transfer receipts were properly endorsed.

2. I beg therefore to submit for the approval of Government a standing order to the Code, providing

for this procedure, viz that such receipts should not be cashed, but should be paid into the treasury as part of an Executive Engineer's miscellaneous receipts, thus avoiding useless transmission and retransmission.
