Letter No. 567G., dated 21st April 1885, from the Government of India, Public Works Department, to the Government of the North-Western Provinces and Oudh.

RESOLUTION.—In the Resolution which is now read again, officers who were in the Department on the 4th February 1885, wishing to join the Civil Engineers' Provident Fund, were informed that they might pay up arrears, within the authorized limits, from the commencement of service, or for any shorter time, in one sum. The Government of India is now pleased to rule that this privilege shall continue in force till the 31st December 1887, and shall then cease absolutely, except as regards officers now on leave out of India, who may return at a date subsequent to the 30th September 1887; in such cases the period for payment may be extended to a date not exceeding three months after the date of their return from leave.

2. Officers who have already joined the Fund are also permitted to pay up arrears in one sum at any time, prior to the 31st December, subject to the same condition as to officers on leave out of India. Except as above permitted no future payments on account of salary drawn prior to admission to the fund can be made either by officers who are already in the Fund, or by new subscribers.

3. All payments of arrears should be supported by a certificate from the Examiner or Accountant General holding the subscriber's leave and service register, who will be responsible for seeing that such payments do not exceed the maximum limits admissible.
