

N^o

Supg Engrs Office 5 Circle
Bangalore 30th April 1888.

From

Colonel H. M. Vibart R.E.

Superintending Engineer
5 Circle.

To

The Chief Engineer

P. W. Department.

Sir,

With reference to G. O. N^o 1238 W dated
26th April 1888. I have the honor to state that
the building is that the purchase of which for
Rs. 12,000 was sanctioned in G. O. N^o 1308 W dated
26th May 1886.

2. In May 1887, the Executive Engineer sub-
mitted an Estimate of Rs. 6696 for the thorough
repair of the building. The amount, being more
than one fourth the price of the building, the
repair estimate is to be treated as original
work, and the Executive Engineer was requested
to include the repairs in the Estimate for ad-
ditional accommodation in order that the
whole may receive the sanction of Govt.
as the cost of the proposed works is more
than

than double the cost of the building. There
has been delay in the preparation of the
Estimate & Plans owing to some time having
elapsed before the design for the additional
accommodation was finally decided on by the
Director of Public Instruction. Plans & Estimate
have been received & are being examined in
my Office. They will be sent to the Director of
Public Instruction by the 4th May for sub-
mission by that Office for the sanction of
Government. The Estimate amounts to
Rs. 286501 Rs. 22640 being for New Works, consisting
of a large hall to be connected by a
covered way to the existing building, a new
room to be added to the existing building, Tiffin
rooms, Latrines for Natives & Europeans &
Compound wall; and the remainder Rs. 6010 for repairs.

3. I should mention that I informed
the Director of Public Instruction in my
letter N^o 3810 dated 10th December 1887 of
the reasons of the repairs not
having been executed - viz that the
cost of repair being more than one
fourth to the cost of the building,
the repairs are to be treated as

New.

New works and included in the
Estimate for the additional ac-
commodation to be sanctioned
by Government.

I have the honor to be
Sir,

Your Most Obedt Servt.
H. K. Subba Rao J. P. B.

Sd/-y Engineer & Quarter.
