is any objection to this. There is no baggage
closet & a small ^{seat} tiled bucket in the
Room. Refectory Room might be built
if necessary or permission given to
occupy one of the Rooms in the
"Clarks' Tiffin Room". The Applicants
are willing to pay Rent & deposit
Lease. The buildings are in our
charge & I suppose the license should
be given by one. The right to sell should
I suppose be put up to auction & value received
be credited to Miscellaneous Receipts.

Enclosures

SIR,

I have received application from vendors of & tables for permission to put up a shed & sell refreshments inside the College Compound to the people attending the different courts & offices. I have the honour to acknowledge the same.

coming to the Offices on business, if a Refreshment Room were established.

Should there be no objection to the course proposed, the undersigned would recommend that a small rent be fixed for one of the Tiffin Rooms, & that the right of keeping the Refreshment be sold by auction for one year, as an experiment.

If approved, instructions are requested as to how the money received is to be credited.
