

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper

From the Inspector General of Registration of 12th April 1888
No. 2071.

In G.O. judicial of the 30th October
1885 No. 2901, sanction was granted for opening
a Sub Registry office at Thairingarpet in the
Namakkal Taluk, Salem District, from the 1st April
1886.

2. The office, ^{produced} in 1886-7 Rs 1206, and in 1887-8
Rs 1168. The charges amounted to Rs 937 and Rs 991,
leaving a surplus in each year of Rs 269 and Rs 177,
respectively.

3. The office is held at present in a private
building at a monthly rent of Rs 3. The
Sub Registrar writes:

"The building is very ancient and cannot
bear against the next rainy weather, and as neither
a better building nor a person who would undertake
to build suitable office building can be found" - he
suggests the construction of a new office on the
standard design. The Registrar supports the Sub Registrar.

4. As the office has already become self-supporting

we the honor to recommend that the sanction
the Government may be given to the Public
Works Department to prepare plan and estimate
for constructing a new office on the standard
filed design of 1885.

Order, 21 April 1888, No. 966.

The recommendation
made at the close of the letter is approved and
sanctioned.
