NOTE OF REMARKS.

The estimate under review amounting to Rs 222 provides for accommodating the Registrar's Office in the District Jail buildings at Ootacamund.

The rates are fair, & lump sums of Rs 94 for metalling with laterite and Rs 17 for gravelling are provided in the Esti.

The work has been carried out, but the plan and Estimate are not countersigned by the Inspector General of Registration nor approved by Govt: in the present scale:—

The plan submitted is nothing like the type design, but the area of accommodation is nearly the same. There is a minor difference of 92 sq: ft:; the plan submitted provides 1108 sq: feet against 1200 sq: feet allowed in the type design.

The only exception that may be taken to the arrangements made is that the accommodation is not all in one building, the cells, a portion of the main building being brought into the arrangement.
