2502 W
6-9-84

In the proceedings recorded above, Superintending Engineers were requested to report, from time to time, the names of upper subordinates recommended for promotion to temporary engineerships under the terms of the resolution of the Government of India, No. 1146 G., dated 23rd August 1883. It will be convenient if the prescribed reports are submitted simultaneously from all circles and at regular intervals. It is accordingly directed that returns, in form No. M 185, be in future sent in so as to reach the Government office by the 1st February in each year.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following paper :—

Proceedings of the Government of India in the Public Works Department (General), dated Simla, 23rd August 1883, No. 1146 G.

Appointment of Upper Subordinates to fill temporary Engineerships.

Resolution—

The Government of India from time to time sanctions the appointment of temporary Engineers and Assistant Engineers for the execution of work which cannot be undertaken by the ordinary staff of the Public Works Department. These posts have hitherto been filled up by the appointment of outsiders; but as there are in the Department Upper Subordinates who are fitted, by the engineering experience they possess, to conduct the duties required, His Excellency the Governor-General in Council considers that men of this class, who are eligible and qualified for temporary Engineerships, should be appointed in preference to outsiders. Their transfer to the establishment of temporary Engineers will not cause a break in the continuity of their service for pension, as under Section 71 of the Civil Pension Code their temporary detached service qualifies.

2. To facilitate the selection of competent Upper Subordinates in this manner for the post of temporary Engineers, Local Governments and Administrations and the Director-General of Railways will furnish the Government of India from time to time with the names of Upper Subordinates recommended for such posts, accompanied by a short confidential report on each. One general list will then be compiled and copies will be furnished to local authorities requiring temporary Engineers, in order that they may select suitable persons for the work to be carried out.

Order—

Ordered that this Resolution be forwarded to the Local Governments, Administrations, and Officers marginally noted, for information and guidance, and that it be published in the *Gazette of India.*

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident, Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Biluchistan.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Superintendent of Works, Simla Imperial Circle.

(By Order.)

(Signed) G. H. W. WALKER,
Offg. Under Secy. to the Govt. of India.

To the Secretary to the Government of Madras, Public Works Department.

ORDER—dated 6th September 1883, No. 2502 W., Public Works.

Communicated to Superintending Engineers, who will submit *confidentially* to the Chief Engineer, at the earliest possible date, the names of such Upper Subordinates in their Circles as come within the terms of the Government of India Resolution, accompanied by a short confidential report on each subordinate recommended.

2. Superintending Engineers will also in future report from time to time, and in the same manner, the names of Upper Subordinates recommended for such posts.

Promotion Recommendation Roll for Temporary Assistant Engineer's Appointment Abdul Latif Sahib Supervisor 2d Grade would have been recommended on 1st January 1887, if he had remained in the Division.

He was specially recommended for promotion on 3d January 1886 to 1st Grade Supervisor. He is of a very respectable Mahomedan family, he has long experience of work. Is very active and intelligent, has nice manners, and I believe, is well suited to a temporary Assistant Engineer
