SIR,

Enclosures.

A Police Station House at Ennore, handed over to the Public Works Department, was in occupation by a Clerk of the Salt Department for 3½ months from 1st May to 15th August 1884.
2. The Clerk appears to have entered into occupation of the building with the consent of the Superintendent of Police obtained shortly before its transfer to the P.W. Department.

3.

3. The Value of the building is Rs 1050 and at $7\frac{1}{2}$ per cent the rent is Rs 6-7-0 or Rs 22-8-6 for $3\frac{1}{2}$ months; but the Clerk represents that he cannot afford to pay rent which is beyond his means, and which he never expected would be demanded from him - viz a quarter of his salary of Rs 25-0-0. I have the honor to recommend, that under GOCP 2011 W of the 15th August 1884, sanction may be given to the rent being reduced to ten per cent of the Clerk's salary or Rs $2\frac{1}{2}$ per mensem for the period of three & a half months.

The building in question does not appear on the Divisional Return, Form M. 41, of buildings let or available for hire, either of the Chingleput or of the Buckingham Canal Division, for any month of 1884.

2. With reference to Code para 1324 the Executive Engineers consent to the continued occupation of the building should have been obtained and terms arranged.

The rate of rent recommended by the S.E. in this case, Rs 2 1/2 per mensem, would be quite 3 per cent on the value of the building.

If any lower rate of rent be allowed than 4 1/2 per cent, plus a fair allowance for maintenance &c, the sanction of the G.O.S. will be required - vide Pro No 2606 & 2607 W of 24.10.84.

Perhaps the simplest plan would be to waive the claim to rent altogether - The clerk evidently

To Lt

I am not quite sure as to admissibility of this draft order. A clerk of the Salt Dept occupied for 3 1/2 months a furnished building at Ennore (Police Station House) with consent of Supdt of Police. Subsequent to their permission the building was transferred to P.W.D. and the claim for rent - at the usual percentage on value of house - amounted to Rs 22-8-6, which is much more than 10 per cent on the clerk's salary of Rs 25. The man appears to have understood that he was not to pay anything for the occupation.

To reduce the claim to 10 per cent on the man's salary we shall have to go up to Govt of India, & it seems absurd to move India in such a petty matter.

Waiving the claim removes the difficulty - always provided the Examiner does not raise objections.

On the other hand it is doubtful whether we should not pursue the course laid down in this case as in any other. Is it right to waive even a trivial claim? A similar case may again occur.

The old Police Station house at Ennore - which was in use by the salt department and subsequently transferred to this department (see G.O. No 1191 W dated 20-May 1885) is required by the Executive Engineer Buckingham Canal Division. The building which is unoccupied is now in charge of the Executive Engineer Chingleput Division who recommends its transfer to the Buckingham Canal Division. I have the honor to request that sanction be given to the transfer accordingly -

It is a question whether first of India shd. not be addressed, it is one of the cases which shd. be referred to India. The amount is small, but the delay is small, & the charge will be then an heavy amount of Rs. 250 a month in new India with salary of Rs. 1000.

Ordered that the first of India be addressed.

H.S. No 82 W. 2607

To the Secy to the G. O. S. P. W.

In

Adverting to para

2 of my letter No 2607 dated 24 Oct 1884, I am directed to request the sanction of the Govt. of

of India to a reduction of house rent under the following circumstances -

2. A Police station house, at Dumora in the Chingleput district, now in charge of the P.W. Dept. was occupied by a clerk of the Salt Dept for three ^{or a half} months from 1st May to 15th August 1882.

3. The clerk appears to have entered into occupation of the building with the consent of the Supt of Police, shortly before it was handed over to the P.W. Dept. Under Code rules, the Ex. Engrs' consent to the continued occupation of the building should have been obtained & terms as to rent should have been arranged but

but this preliminary seems to have been overlooked.

4. The rent which should be levied on the building in accordance with departmental rules, is Rs 6-7-0 per mensem, or Rs 22-4-6 for 3 1/2 months, but the clerk represents that this sum - a quarter of his salary of Rs 25 per mensem - is beyond his means, & that the demand is an unexpected one. It is proposed therefore to reduce the rent to ten per cent of the man's pay, or Rs 2 1/2 per mensem for the period of three and a half months, & to this arrangement I

I am desired to request
the sanction of the Govt
of India.
