Order—No. 173, Financial, dated 2nd March 1905.

Under article 463 of the Civil Service Regulations Audit officers are required to submit to the Local Government on or before the 1st September in each year a list of public servants who will attain the age of 55 years, or whose extension of service will expire during the next official year, in order that the necessary action may be taken for their retention or otherwise in the service. In this Presidency, these lists are submitted by the Accountant-General through the head of the department concerned to the administrative department of the Secretariat.

G.O., No. 143, Financial, dated 28th February 1891.

2. It is in the last months of an officer's ordinary service that it can best be judged whether he is still fit for further employment, and the existing procedure tends to bring the question under consideration prematurely. His Excellency the Governor in Council has therefore decided that, in the case of gazetted officers, proposals as regards extensions of service or the retirement of officers who have attained or will attain the age of fifty-five years should not be submitted to Government by the head of the department concerned more than six months before the date on which the officer would, in the absence of special orders, retire.

3. Audit officers will therefore be requested to make arrangements to submit through the head of the department the names of gazetted officers six months before they attain the age of fifty-five years, and thereafter six months before the date on which the term of any extension of service already granted will expire.

4. In the case of non-gazetted officers orders will, as hitherto, be passed on consolidated statements submitted in September each year.

Office-note from the Examiner, Public Works Accounts, dated Madras, 3rd May 1895, No. 1610 A.

Under Public Works Code, volume II, chapter III, paragraphs 201 A. and 201 B. (Standing Order No. 15, dated 30th November 1894), the Examiner has to submit, for the orders of Government, by the 1st September of each year, a list of officers and subordinates under his audit who will attain the age of 55 years or whose extension of service will expire during the next official year.

2. To give effect to the above orders, I would request that Superintending Engineers and other heads of Public Works offices may be directed to send to my office, so as to reach me not later than the 1st August each year, a list giving the names of all officers and subordinates who will attain the age of 55 years or whose extension of service will expire during the next official year. This will leave me a month to submit a consolidated statement for the orders of Government.

3. The statements for the official year 1896–97 will be due in my office on 1st August 1895 and should also include officers and subordinates who will attain the age of 55 years within the months of January to March 1896.

4. Under Civil Service Regulations, article 524, officers whose service is inferior are only entitled to compensation and invalid pensions. The inclusion of their names in the list would therefore appear unnecessary. In the event of any inferior servant being found unfit for the efficient discharge of his duties on the score of his having attained the age of 55 years, all that is necessary is to get him examined by the Surgeon of the district and retire him under the rules if declared unfit. Where the inferior servant is 60 years old or upwards, no medical certificate is necessary. It will be sufficient for head of office to certify to the incapacity of the applicant—Civil Service Regulations, article 486. On this point orders of Government are requested.

Order—dated 11th May 1895, No. 1125 W., Public Works.

Communicated to officers of the Public Works Department who will comply with the requests in paragraphs 2 and 3 of the Examiner's note.

2. The suggestions in paragraph 4 are approved. The names of inferior servants need not in future be included in the annual return in question.

3. The extensions of service granted in Public Works memo. Nos. 4170 C. and 501 C., dated 21st December 1894 and 9th February 1895, will extend to the 31st March 1896.

## Fifty-five Years' Rule.

Delegating to the High Court and to heads of departments the powers referred to in the Resolution of the Government of India, both as regards the retention and the retirement of non-gazetted officers between the ages of 55 and 60.

CHIEF SECRETARIAT
OOTACAMUND

16TH SEPTEMBER 1890, No. 651, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Proceedings of the Government of India, Finance and Commerce Department (Pensions and Gratuities), dated Simla, the 12th July 1890, No. 3382.

*Read*—the following papers:—

Letter from the Government of Bombay, No. 1257, dated the 11th April 1890.
Letter to the Government of Bombay, No. 2141, dated the 1st May 1890.
Letter from the Government of Bombay, No. 1703, dated the 19th May 1890.

The Government of Bombay points out a distinction between rule 6, section 110 of the Civil Pension Code, 6th Edition, and Article 506 (*a*) of the Civil Service Regulations. The former empowered the officers named therein to pass final orders in regard to both the retention in service and retirement of certain classes of subordinates after they had attained the age of 55 years, while the latter only contemplates the delegation of authority in cases of retention, and not of compulsory retirement. The Government of Bombay accordingly requests that a rule may be inserted in the Civil Service Regulations conferring on officers the full powers which they formerly exercised under rule 6, section 110 of the 6th Edition of the Civil Pension Code.

*Resolution*—

On reconsideration, the Governor-General in Council directs that the following rules be substituted for Article 506 of the Civil Service Regulations.

The Local Government may delegate to heads of departments or to officers not under the rank of Collectors or District Judges—

(1) The power of declaring any non-gazetted subordinate to be efficient, and permitting him to remain in the service, provided he continues to be efficient, for a definite period up to, but not beyond, the age of 60 years.

(2) Subject to such conditions as the Local Government may think fit, the power of declaring any non-gazetted subordinate to be inefficient, and compelling him to retire either at the age of 55 years, or on the expiry of any further period up to which his service has been extended, or before the expiry of such further period if he ceases to be efficient.

Each such subordinate's case must be taken up when he is 55 years' old, and on the expiry of each extension of service.

2. The Government of India have delegated the powers of a Local Government to the following officers:—

(i) the Director-General of the Post Office of India in respect of all officers subordinate to him;

(ii) the Comptroller and Auditor-General in respect of all non-gazetted officers subordinate to him;

(iii) the Inspector-General of Military Works, the Director-General of Telegraphs, and the Director-General of Railways in respect of all subordinates serving under them, except Accountants;

(iv) the Accountant-General in the Public Works Department in respect of all subordinates serving under him, including all Accountants belonging to the establishment under the Government of India.

READ—the following papers:—

From T. M. HORSFALL, Esq., Registrar of the High Court of Judicature, Appellate Side, Madras, to the Chief Secretary to Government, dated Madras, 26th September 1888, No. 2476.

In G.O., dated 13th June 1885, No. 947, Financial, the Government desired that all cases in which it was proposed either to retain or to dispense with the services of a Government servant on his reaching the age of 55 years should come before them. The Government subsequently declared that the above order would be held to apply only to officers in superior grades and that the cases of inferior servants could be dealt with by heads of departments (G.O., 5th November 1885, No. 1482, Financial). By order, dated 1st May 1888, No. 370, Financial, the Government authorized the High Court to permit the retention in the service of non-gazetted judicial servants between 55 and 60 years of age.

2. As under the above orders applications have still to be made to Government for compelling the retirement of public servants in superior grades, without reference to their age, I am directed to suggest that His Excellency the Governor in Council may be pleased to delegate to the High Court the authority to dispense with the services of non-gazetted officers over 60 years of age.

From the Officiating Accountant-General, dated 14th November 1888, No. 3474.

ORDER—dated 20th November 1888, No. 865, Financial.

Under the existing rules, heads of departments are competent to retire any of their subordinates who may reach the age of sixty years, and it will not be necessary to delegate powers of the kind asked for to the Madras High Court.

2. As it is probable that there is a general misapprehension on this point, these proceedings will be circulated for information of all heads of departments.
