Sir,

ENCLOSURES.

G. O. No. 1359, W. dated 8th May 1888 on G. O.
No. 502 L of the 5th March 1888 reviewing Local
Fund Budget of the Trichinopoly District for
1888-89.

2. In the above Budget for Item No. 14
in Page 26. Road No. 20 from Sundayur via
Sengaraipur to Lower Anicut, 25 miles. Rs. 375.
and 810 or in all Rs. 1185 are allotted at Rs. 75
for 5 miles and at 50 Rs. for 20 miles. At the
rate stated for the latter portion of 20 miles,
the allotment should be Rs. 1000, but from para
4 of G. O. No. 502 L of the 5th March 1888 under
reference, it would appear that the rate includes
also Public Works Supervision and Tools and Plant,
and so the net amount available for the work
is only Rs. 810.

3. In the Budget received with G. O.
No. 1173, W. dated 18th April 1888. Vide Item No. 11 page
8.

8, for the 20 miles of the above Road Rs. 1000 are
allotted at Rs. 50 per mile. -

Read the following

From the Supty. Engineer VI Circle. H. E. No. 154 T.C. of 12th May 1888.

~~Referred~~ to the Local and

Municipal Department for remarks.

2. It is observed that in
para 4 of the order in that Department
No. 502 L of 5th March 1888, the current
year's allotment for expenditure by
the P.W. Department on road No. 20
from Sirundayur via Sengarayur to
Lower Anicut is shown as Rs 810
exclusive of the percentage charges,
while the grant approved in Pro-
ceedings of Govt. No. 2556 L of 28th Decem-
ber 1887 is Rs 1,000, being the
usual allotment for maintenance
charges alone of the road in the
previous
former years.

3. The allotment of Rs. 375
for a portion of the same road appears
to be intended for expenditure by
the District Board, vide abstract
at

at page 21 of the Local Fund Budget
 of the Trichinopoly District for 1888-89,
 against grant 1 P.W. (b) Repairs & Com-
 munications.
