Read—the following letter from J. W. RUNDALL, Esq., M.I.C.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Tanjore, 5th May 1888, No. 245 T.J. :—

I have the honor, with reference to your memorandum, No. 1126 C., of the 16th March, para. 3, to forward herewith, for your approval and the sanction of Government, a revised estimate for extending the jetty wall at Negapatam, a reduced thickness of wall having been provided.

2. The estimate now amounts to Rs. 17,590, or Rs. 370 less than the present sanction.

3. The original plan and estimate are also forwarded herewith for reference if required.

Order—dated 30th May 1888, No. 1571 W., Public Works.

The revised estimate, amounting to Rs. 17,590, for extending the jetty wall at Negapatam is sanctioned in supersession of the estimate of Rs. 17,960, sanctioned in G.O. No. 93 W., dated 11th January 1888.

2. As the current year's grant for the work is Rs. 17,960, the difference between this sum and the amount of the estimate now sanctioned, viz., Rs. 370, will be resumed and held in reserve with the Government.

3. This sanction has been registered as Local No. 5 W. of 1888-89 and classified as Miscellaneous Public Improvements, Original Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following letter from T. E. MARSHALL, Esq., Assistant Port Officer, in charge of Port Office, Madras, to the Chief Secretary to Government, dated Madras, 27th October 1887, No. 9784:—

With reference to G.O., No. 454, Marine, dated 10th October 1887, I have the honor to forward the accompanying letter from the Superintending Engineer, VI Circle, No. 996 T.J., dated 22nd August 1887, submitting plan and estimate, amounting to Rs. 22,220, for extending the jetty wall at Negapatam, and to suggest that it be referred to the Chief Engineer, Public Works Department, for approval.

Enclosure.

From Lieut.-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Port Officer, Madras, dated Kodaikanál, 22nd August 1887, No. 996 T.J.

With reference to your letter No. 4746, of 1st June 1887, I have the honor to forward, for your countersignature and submission to Government for their sanction, plan and estimate, amounting to Rs. 22,220, for extending the jetty wall at Negapatam Harbour, south of landing ramp, and request that you will be good enough to arrange for placing, at the disposal of this department, the sum of Rs. 27,664 (Rs. 22,220 the amount of the estimate and Rs. 5,444 for Public Works supervision and tools and plant).

2. The estimates for filling the boat basin and diverting the town drain at Negapatam were forwarded to the Chief Engineer, Public Works Department, with this office letter No. 247 T.J., dated 7th May 1887. The concrete blocks taken out from the boat basin were proposed to be used as a rough apron along the outer face of the basin.

3. With regard to land mark at Point Calimere, referred to in Chief Engineer's note printed with G.O., No. 160 Marine, dated 14th April 1887, I have the honor to request that you will be good enough to let me know the height of the iron standard required.

Forwarded to the Chief Engineer for approval.

NOTE OF REMARKS.

The alterations being only in the provisions details & the amount of the revised est being less than the previous one - It can be sanctioned. [illegible] 8/5/88

The revised Estimate amounting to Rs 17,590. for extending the Jetty wall at Negapatam is submitted for sanction in supersession of the Estimate for Rs 17,960 sanctioned in G.O. No 93W d/11th January 1888

The thickness of the proposed jetty wall has been reduced from a mean width of 6½ feet to a mean width 4½ feet, the base from 7¾ feet to 6 feet, the well rings from 2 feet to 1'-3" and the dry stone apron has been

omitted and some other minor alterations have been made.

The length of the wall however remains the same as larger spaces have been allowed between the walls to make up the length.

The amount of the Original Estimate was Rs 22,220 which was reduced in this Office to Rs 17,960 by reducing the rates for Cut Stone and dry Stone to the rates given in the Schedule and the reduced Estimate was sanctioned. The Supg: Engr: subsequently explained that the work could not be carried out on the reduced Estimate and he now submits a modified plan with a revised Est: for Rs 17,590 or Rs 370 less than the Est: sanctioned.

the file of papers connected with the subject are, it is stated, at Ooty.

As the plan and estimate have been revised this will probably require the Countersignature of the Port Officer and the approval of Govt: in the Marine Deptt:-

for cut stone was quoted by this office.

In the schedule subsequent [illegible] after the sanction of this Est:, the rates for these items have been entirely omitted and strange to say with the remark "No transaction" opposite to them, although the Est: for this work could not have formed more than a few months before the schedule was submitted to this office.

The remark "No transaction" appears very frequently throughout the schedule and frequently opposite items very commonly brought into use.

The two schedules are put up for inspection
