OFFICE NOTE No.

1511

Encl: 1

To

W.

In consequence of arrears
of work having accumulated in the
Code Branch of my office, I have
found it necessary to apply for a
small temporary establishment of a
temporary clerk on Rs. 30 and a peon
on Rs. 5 per mensem for a period of
six months, and request that the
sanction of Government thereto may
be obtained and communicated to me
on an early date.

2. The large increase of work in
that section of the office and of
the consequent inability of the
ordinary establishment to cope with it,
is principally due to the fact that
apparently my predecessor did not
think it necessary to codify all
general rulings of Government of
permanent application, and when I
first assumed charge of this office

were every day quoted, and relied upon in spite of Code para 5, and even now I am constantly coming across old orders which are relied upon as authorities, and which are no doubt intended to remain in force. The inconvenience of leaving standing rules of the department embodied in old G.Os. which many members of the department have very likely never seen, is very great; and I have found it necessary to take up all these cases

and either resubmit them for the orders of Government, or else submit draft standing orders based on them to the Code Committee. In the meanwhile the necessity for modification of the Code arising out of current rulings does not diminish, and the result is that there are now over 170 cases, some of them very complicated and difficult awaiting codification, and among them, are some that were first taken up as far back as June and July 1887. The old orders referring to the

periodical returns quoted in Appendix your Nos. H. have also to be codified, vide 356 B. and 3078 C. dated 18th. July 1887 and 13th. September 1887 respectively,
