With reference to G. O. No. 11282 dated 14 April 1888, I have the honor to report that it is feasible to convert a portion of the Port Office into quarters for the Assistant Port Officer, at a cost of Rupees 10,000 approximately.

2. It is proposed to have the quarters on the third floor at the South East Corner removing the existing signalling house to the middle just behind the main clock. The quarters would have their entrance on the South with stairs leading direct to them. The Cook house and Stores would be on the West on the second and
