Proceedings of the Board of Revenue (Land Rev.), dated 28th March 1888, Mis. No. 2059.
Endorsement of the Revenue Department, dated 7th April 1888, No. 2063.
From the Superintending Engineer, IV Circle, dated 5th May 1888, No. 170 E.W.

Order—dated 4th June 1888, No. 1612 W., Public Works.

The correspondence recorded above relates to a claim preferred by the Executive Engineer, Coimbatore Division, against Mr. C. Ramachandrier, Acting Head Assistant Collector, for house rent for the Head Assistant Collector's residence at Pollâchi, from November 1887 to January 1888, inclusive.

2. Mr. Ramachandrier explains that he handed over charge of his office of Head Assistant Collector on the 21st November 1887, when he was appointed to act as District Judge, Cuddalore, and that he rejoined his appointment in January, arriving at Pollâchi on the 20th idem. During the interval Mr. R. H. Campbell was put in charge of the Head Assistant's Division.

3. The Government consider that the rent of the quarters should be paid by Mr. Ramachandrier from the date on which he resumed charge of his office in January, and not from that on which he arrived at Pollâchi, but that for the rest of the time, Mr. Campbell, who drew pay as Acting Head Assistant Magistrate, and whose proper head-quarters were at Pollâchi and not, as he says, at Coimbatore, should be required to pay the rent of the bungalow.

4. When an official residence is provided for the incumbent of any particular post, it is held at his disposal from the date on which he takes charge and throughout his incumbency, and he must pay for the whole period. This ruling is in accordance with G.O. No. 1330, dated 18th June 1884 (Public), wherein it is laid down that "when the Government provide a residence for a public officer, it shall be the duty of such officer to dwell in it or pay rent for it." The rule will be incorporated in the Public Works Code for general observance.

I am directed to acknowledge the receipt of your letter, No. 1958 W., Public Works, dated 11th August 1884, forwarding, for confirmation, copy of proceedings of the Government of Madras prescribing 6 per cent. on the capital cost of a building as the maximum charge for rent.

2. In reply, I am to state that the Government of India is not satisfied that $1\frac{1}{2}$ per cent. on the cost of a building will always cover the cost of repairs and maintenance, as experience in other parts of India indicates that the average cost under those heads is fully double that percentage.

3. I am to add that the Government of India is not prepared to fix any maximum rental for public buildings occupied by its officers of other than subordinate ranks, whose case is met by the provisions of the Public Works Code, except that which may be determined by the calculation of $7\frac{1}{2}$ per cent. on the cost.

2 There appears to be no definite order regarding whether an officer should pay rent for a government bungalow specially kept up for a residence from the date of assuming charge of his office

office or whether the officer may suit his own convenience about occupying the bungalow. I think there should be a definite rule about this, and I think the rule should be that pay should be paid from the date full pay or acting allowance is drawn by the officer in charge of the office.

The correspondence recorded
above relates to a claim preferred
by the Executive Engineer Coimbatore
Division against Mr. C. Ramachandriah
by Head Assistant Collector, for
house rent for the Head Assistant
Collector's residence at Pollachi,
from November 1887 to January
1888, inclusive.

Mr Ramachandriah explains
that he handed over charge
of his Office of Head Assistant

1887, when he was appointed
to act as District Judge,

The Government considers that
the rent of the quarters should

he arrived at Pietermaritzburg but
that for the rent of the time
Mr Campbell, who drew pay

to pay the rent of the Magistrates
