17TH MARCH 1886, No. 705 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from Major F. FIREBRACE, R.E., Under Secretary to the Government of India, Public Works Department (Railway—Stores), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 3rd March 1886, No. 78 R.S. :—

I am directed to acknowledge the receipt of your letter, No. 2912 W., dated 5th December 1885, submitting proposals for a revision of the arrangements for landing and forwarding stores for State Railways by the General Superintendent of Public Works Stores, Madras, with effect from the 1st April 1886.

2. In reply I am to say that the suggestion contained in the 6th paragraph of your letter, viz., that the State Railways pay a fixed contribution of Rs. 300 per mensem towards the cost of the General Superintendent of Public Works Stores' establishment, commends itself to the Government of India as the simplest arrangement, and might be adopted with effect from the 1st January 1886.

3. With regard to "harbour dues," which the Examiner of State Railway Accounts, Bellary, has asked be no longer paid by the General Superintendent, I am to say that they should continue to be paid by the Madras Stores Department, but that railway freight on consignments should be settled by the State Railway authorities, as it is desirable they should have the opportunity of taking advantage of any special rates in force for State Railways.

4. Orders to this effect will be sent to the Director-General of Railways for guidance.

ORDER—dated 17th March 1886, No. 705 W., Public Works.

Communicated to the Consulting Engineer for Railways and the Superintending Engineer, V Circle, with reference to G.O., No. 2911 W., dated 5th December 1885.

2. The new system will have retrospective effect from the 1st January 1886.

(True Extract.)

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Secretary to Govt., P.W.D.
