Letter No. 111

Dated 14th May 1888

From the Secy to Govt. Military Dept.

The Est. should be kept back for the period during the period of the month to C. H. NOTE OF REMARKS. W. H. S. V.

The revised estimates under review amounting to Rs. 3340 and Rs. 3060 for constructing Sub-Registrars Office at Thennavaram and Thallapudi in the Mysore District are submitted for sanction in pursuance of the estimates for Rs. 2540 and Rs. 2400 sanctioned in G.O. No. 1202 W. of 2nd April 1888 & No. 2407 W. of 13th September 1882 respectively. The excess in each case is Rs. 100 & Rs. 660 making an aggregate excess amounting to Rs. 760. It is explained that the excess is partly due to the estimates having

have attended to according
with the revised type
design in which the
dimensions of the record
room and of roofing and
flooring have been
increased, and partly
due to the improvements
allowed with regard
to doors and windows
to record room side
G. O. No 1834 d/16th Jan 88,
also to increased rates
for workman.

These works it is
stated have not yet
been commenced
and it is requested
that sanction may
be accorded to the
revised estimates
as funds have been
provided in the
Budget for the current
financial year for their
execution.

As these works have
not yet been commenced
it may be well to
delay them a little
longer till the revised
type design is ready

which it is understood
is being prepared
in a simpler style
to former design
and if followed
in this case will
probably effect
a considerable
saving in the
estimates under
review.

The Consulting Architect
may be asked to
expedite his preparation
of the plan.

The estimates submitted
for sanction have been
counter-signed by
the Inspector General
of Registration and
approved by Govt.
in the Judicial Dept.
