2 Revised Estimates
2 Compt Statement
2 Abstract Estimate

I have the honor to forward here-
with two revised estimates, together with
comparative statements for constructing
a Sub Registrar's office at Bhimavaram
Estimate Rs. 3,340 and at Thallapudi Estimate
Rs. 3,060 in the Godavari Western Division
prepared in accordance with the revised
type design sanctioned in G.O No. 1049 W.
dated 5-5-85.

2. The original estimate for the former
was sanctioned in G.O No. 1202 W. dated
21-10-83 and for the latter in G.O No. 2407 W.
dated 16-9-82.

3. The cause of excess over the original
sanctioned estimates is partly due to these
estimates having been prepared in accord-
ance with the revised type design in
which the dimensions of record rooms
and of roofing & flooring have been
increased and partly due to certain

type design is ready

improvements allowed with regard to doors & windows to record rooms vide G.O. No. 163 W. dated 16-1-88 and also to the increased rates in prices of teak wood work which have raised since the original estimates were sanctioned. As these works have not yet been commenced according to the original estimates I request that you will be good enough to obtain the sanction of Government to these revised estimates. Funds have been provided for these works in the preliminary issue of the Provincial Budget for 1888-89.

I have the honor to be,
