

I have therefore the honor to ask if you will kindly obtain me this at least temporarily representing that I make no slight sacrifice of personal comfort by this arrangement; I occupy no more of the building than I did before; I have at my own expense provided the few domestic offices I require; and in as much as the balance of advantage accruing from my continual presence on the premises is so manifestly in favor of the Institution, I do not see how any assessment of rent would be quite equitable.

It could only be nominal, but it would just cancel the only item that I am now able to enter on my side of the account.

Endorsement of the Director of Public Instruction dated 7th May 1888. N^o 990.

Submitted for the sanction of Government as the undersigned thinks it very desirable that Mr. Metcalfe should be constantly with his students, supervising them in their out door exercises and sports as well as during actual class-work.

Order dated 21st May 1888. N^o 306.

In the special circumstances stated the Government are pleased to sanction the Principal of the Rajahmandri College using the rooms in question free of rent.
