OFFICE NOTE No. 1570

Encl: 1

To

W.

Instances have occurred where payments to contractors have been made by cheques sent direct to their address by post, accompanied by their bills to be receipted and returned, and, as might be expected, in cases where contractors have ceased to have further work in the division, it has happened that the bills have never been receipted and returned, so that no vouchers in support of such payments are received in this office for audit, and possibly in many cases the Executive Engineer has even no documentary evidence of the safe delivery of the cheques to contractors.

2. I beg therefore to submit for the approval of Government the accompanying standing order providing
