Letter—to

The Right Honorable the SECRETARY of STATE for INDIA.

My Lord,

With reference to letter to His Excellency the Commander-in-Chief, Madras, from the Deputy Adjutant-General, Royal Engineers, dated War Office, 5th July 1881, No. 112, Engineers, 1252, we have the honor to request the favour of information whether the time passed on duty at Chatham by Major A. R. F. Dorward, R.E., from 29th June 1881 to 17th April 1882, reckons as part of, or as in addition to, the two years' furlough granted to him in November 1880; and whether he received "furlough pay" or "English furlough pay" during the period in question.

2. Major Dorward recently applied for two years' furlough on private affairs, but, in the absence of the information asked for above, the Adjutant-General was unable to furnish a certificate to the effect that he was entitled to the leave applied for. We have therefore granted him furlough for one year and 118 days, the leave due having been computed by excluding the period passed at Chatham; and, on receipt of a reply from Your Lordship to the present reference, we shall report whether the full period of two years' furlough applied for can be granted.

We have the honor to be,
My Lord,
Your Lordship's most obedient humble servants,

No. * . *Extract of a Military Despatch from the Right Honorable the Secretary of State for India; dated 19th April 1888, No. 19.*

Para. 3. With reference to your Public Works Department Resolution No. 447, dated 8th February 1888, I forward herewith, for the information of your Government, a copy of correspondence * with the Horse Guards regarding an application of Major C. C. Rawson, R.E., for permission to spend an additional period of six months at Chatham for instruction in submarine mining, and to be absent from India for three years and a half by counting this course, besides the year previously sanctioned † as additional to his two years' furlough. I also forward a copy of a letter from Major Rawson, dated 30th March 1888.

M 3458.

It will be observed that I have refused to sanction any extension of Major Rawson's absence from India, the period already sanctioned (three years) being exceptionally long. I think care is necessary to prevent abuse of the encouragement offered by the rules to Royal Engineer Officers to undertake courses of instruction while on furlough in this country.

C. Rawson, Royal Engineers, forwarding an order from the Madras Government permitting him to remain at Chatham for an additional six months, and requesting that, if the rules permit, this period might be allowed to count as an extension of his furlough.

I am therefore to request that you will be so good as to inform me what reply should be sent to this officer.

I have, &c.,

The Military Secretary, India Office, S.W.

From Major C. C. RAWSON, R.E., to the Brigade Major, S. M. E.; dated Chatham, 29th February 1888, No. M 2642.

In continuation of former correspondence on the same subject, I have the honor to forward herewith an order of the Madras Government, No. 447-W, dated 8th February 1888, allowing me to remain at Chatham for six months in addition to the twelve months already allowed.

I request that, if the rules permit, I may be allowed this time in addition to my furlough, and that after leaving the S. M. E. on 11th October I may be allowed to enjoy the balance of my two years furlough which commenced on 4th May 1886.
