Mr.

The pencil note to C.K.
on the draft order was
written & initialed by
C.A.W.; but in sending it
to H.M. I had to erase
it & I have written it again
but I thought it unnecessary
to get C.A.W.'s initials
to it again.

Madras, 9 February 1888.

To W.

Code para 864, note iii
requires the examination by the
inspecting (accounts) officer of
service books in the office of each
Executive Engineer: there is at
present no order requiring his
examination of service books in
Superintending Engineers' offices,
which seems equally important.

2. Please obtain orders of
Government on the subject.
