THE CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT.

DOWLAISHWARAM, 31st May 1888

SIR,

I have the honor to inform you that there were between the old main building of the Collector's Cutcherri at Cocanada and the Sub Jail 2 dilapidated, unsightly old out houses, 1 old press office & another old treasury room -

2. As the extensive additional Building to that Cutcherri were built, it was proposed by Mr. Walch in concurrence with the Collector to dismantle these old out houses and they were accordingly dismantled in anticipation of sanction. I therefore request that you will be good enough to obtain the sanction of Government for the same.

I have the honor to be,
your most ^{Sir} obedient Servant

J. E. Paul
Esq^r in ch. 1st Circle.
