It does not seem
necessary to consult
other Depts; the matter
being one of Public
works procedure to
which no exception
can be taken.

In para 2 of his
office note 1894 d/2-11-88
I ask for approval
of Govt to the revised
forms. A draft order
has therefore been
put on the C. No. 20
as to disposal of the
matter once for all.
The draft is marked to
I for countermand.

G. O. No. 1383 W dated

KEEP-WITH

Genl. No.

dated

188 .

In the orders above quoted,
the Government authorised
the discontinuance of the
pre-audit of bills for compen-
sation for quarters for Military
and Medical Subordinates
on the grounds that the orders
of India did not require,
and that practically there
was no actual necessity,

for

for such pre-audit.

2. Since the issue of these orders, the duty of paying compensation, &c, to Medical Officers in Civil employ has been transferred from the Civil to the P. W. D., see Government of India Standing Order No. 104 of 1885, with the result that payments for compensation and for rent of hired buildings, which were formerly restricted to a few Military Stations, have become common in almost every Division, and many Divisions have now to deal with matters entirely new to them. Irregularities in respect of these payments have become numerous, and

Executive

Executive Engineers seldom refer doubtful cases to this Office before payment.

3. With a view to placing these matters on a more satisfactory footing, I propose, not exactly to revert to the old rigid system of pre-audit, but to deal with these foreign house rent claims in the same way as I now deal with salary and allowance claims of Officers of the P. W. D. under Code para 473, the practical result of which, to put it shortly, would be that all new claims, and all changes, would be pre-audited,

whilst

whilst recurring claims
would, after the first
time, be paid before
audit.
