SIR,

With reference to G.O. Public Works Department, N<sup>o</sup> 489 W- dated 11 February 1888, copy of which was communicated to my Secretary by the Secretary to the Surgeon General with the Government of Madras, I have the honor to submit the following remarks:—

2. Government decline sanctioning payment of Compensation in lieu of quarters to Assistant Apothecary

Hart

Hart "in the absence of explanation whether application was made to the Executive Engineer to provide quarters for him," and my attention was invited to para 1136 of the Public Works Code. I beg to observe that application was made to the Executive Engineer for quarters for the Assistant Apothecary referred to, and that the Executive Engineer must have been aware of this application for, in his letter No. 6112 dated 9 March 1887 to the Senior Medical Officer, Station Hospital, Madras, he states "I have no objection to your renting a building for Assistant Apothecary W. P. Hart as near the Hospital as possible, so long as the rent does not exceed the authorized rate

rate viz Rs 30 allowed for Assist. and Apothecaries in this Presidency.

3 I do not therefore understand on what grounds the Superintending Engineer has framed his remarks noted in para 2 of his No. 3632 dated 2<sup>d</sup> December 1887 recorded in the above G.O. The Executive Engineer, in his letter No. 924 - S.E. - of 29 November, applied for sanction for issue of compensation to Assistant Apothecary Hart along with the other Subordinates, which, it may fairly be presumed, he would not have done if the regulations had not been complied with. It is evident, moreover, that the Superintending Engineer was in error in remarking that

that Assistant Apothecary Hart  
took up his residence in the Hotel  
"without, as it seems to be the  
case, applying to this Department  
for quarters."

Under the circumstances, may  
I request that Government may  
be pleased to sanction the claim  
of Assistant Apothecary Hart  
to compensation in lieu of quarters.

I have the honor to be,

Sir,

Your most obedient servant,

J. A. H. H. H.

Sir,

In returning your Endorse-  
ment No. 65 D. dated 19<sup>th</sup> April 1888,  
I have the honor to state that the  
Executive Engineer now reports, that the  
Senior Medical Officer Station Hospital  
Madras forwarded to him in March  
1887 an application for Quarters - from  
Assistant Apothecary Hart - and that  
the Executive Engineer replied in his  
No. 6112 of 9<sup>th</sup> March 1887, that there  
was no objection to a house being  
rented as near the Hospital as possible  
so long as the rent did not exceed the  
authorized

authorised rate of £ 30 per month. No  
mention of this is made in the Executive  
Engineers Letter No. 924 S. & dated 29<sup>th</sup> November  
printed in G. O. No. 489 Vol. 11<sup>th</sup> February  
1848. And as it is now appears that this  
Department did not provide him with  
Quarters, on his application, I recommend  
that sanction may be given to compen-  
-sation in lieu of quarters, being paid  
to the Assistant Apothecary from March  
to November 1847 = nine months at £ 30  
per month £ 270.
