Read the following papers

From the Public Works Department dated 18<sup>th</sup> April  
1888 No. 1167. 10  
From the Port Officer, Madras, dated 9<sup>th</sup> May 1888  
No. 96.

In returning herewith the Report by  
the Public Works Department on the state of the Mang-  
alore Bar, referred to me for remarks under endorsement  
dated 1<sup>st</sup> May 1888, I have the honor to acquaint you,  
for the information of Government, that I am not prepared  
at present, to make any recommendation in respect to  
fixing the mouth of the river. I would observe that my  
predecessor, Captain Saylor, in his letter to Govern-  
ment No. 2270 dated 16<sup>th</sup> March 1887, remarked that he  
was satisfied "that Nature had better be left to herself  
for some time longer", and, from the different reports  
I have received respecting the backwater I am inclined  
to the same opinion.
