FINANCIAL DEPARTMENT.

Read—the following paper:—

Office Note from Major C. H. P. CHRISTIE, R.E., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated 12th May 1888, No. 1483.

By Standing Order, No. 67 of 1886, P. W. D. Form, No. M. 183, was introduced for the purpose of the award statement ordered in G.O., No. 2033 W., of 13th August 1886, and as the award statements have all to be sent to this office, it seems desirable, with a view to uniformity, as well as on the ground of economy, that the forms should be supplied from this office.

2. I find, however, that certain Collectors are getting the forms printed locally, and I beg therefore to suggest that Collectors should be directed to obtain all future supplies from this office.

3. I have not yet noticed any material departure from the prescribed form, but when once the local printing of the form begins, there is no saying what local modifications may not be gradually introduced.

4. Any suggestions that Collectors may make as to modifications of the details of the form can, if approved by Government, be introduced when printing a fresh supply of the form.

No. 196-D.

Transferred to the Financial Department for issue of the necessary orders, with reference to G.O., in that department, No. 645, of 14th July 1886.
