1 B. 1710 W. 9.6.88

With reference to your
office note to the Chief Engineer,
P.W. Dept. No. 1566 of 30th May 1888,
I have the honor to state that
the Executive Engineer explains,
with reference to para 2 of your
note, that in cases where correc-
tion in Bills could be made in
the Divisional office, they were
made and payments to con-
tractors accordingly disbursed.
In some instances the bills had
to be returned to the Sub Divi-
sional officers for explanation
and correction. The delays in
payment to contractors were
chiefly confined to the Trivellur
Sub.
