Sir,

I have the honor, in forwarding herewith
an application from Mr. C. W. Wood Assistant
Engineer for examination under Rule para 87, -
accompanied by a letter from the Executive Engineer
Kistna Western Division, to state that like Mr
Todd I have but little personal knowledge of
Mr. Wood's work, as he went away on leave, a few
days after I took charge of the circle. I have
however reason to believe that he is a painstaking
and careful young Officer, and I would under the
circumstances recommend that the Committee he
applies be convened on my return to Bezwada
early next month.

I have the honor to be

Yours Most Obedt Servant
