GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From Colonel R. F. LOWIS, Director-General of Ordnance in India, to the Secretary to the Government of Madras, Public Works Department, dated Agra, 2nd January 1888, No. 90 E. (Tour).

With reference to the correspondence ending with my No. 62 E (Tour), dated the 16th December 1887, I have the honor to forward the following list of ordnance works which it is desired should be undertaken in the order shown in the Madras Presidency during the official year 1888-89. The amount available for each work is as entered opposite it, and is, it will be noted, in addition to the usual charges for establishment, tools and plant:—

Description of work.	Required for	Amount.	Remarks.
		RS.	
Workshop	Bellary Arsenal ...	18,000	Or only Rs. 8,000 if the Rs. 10,000 allotted this year is spent on this work before 31st March next.
Turners' shop	Gun Carriage Factory, Madras. Do. ...	10,000	
Store-rooms	Do. ...	6,000	If desired, this will be communicated direct to the Public Works Department, British Burmah.
Guard-room	Do. ...	2,570	
Armourers' shop	Bellary Arsenal ...	4,650	
Receipt and Issue godown near Arsenal gate.	Rangoon Arsenal ...	2,500	
Shed	Camp Equipage Depot, Madras.	6,935	
Minor and petty works for Ordnance establishments in the Madras Presidency as required.		7,000	
	Total ...	57,655	
	Add percentage for establishment, tools and plant ...	14,145	
	Grand Total ...	71,800	

2. I trust every endeavour will be made to prepare the necessary plans and estimates as soon as possible, and to finish the works in question before the 31st March 1889.

3. As heretofore the plans and estimates, when ready, should be sent to the Inspector-General of Ordnance, Madras Circle, for approval and countersignature.

4. I shall be obliged by being informed, on 1st August 1888, of the progress made towards the completion of the several works, and whether they are all likely to be completed, or not, before the end of 1888-89, to enable me to frame the annual statement of buildings for 1889-90, which is due to the Government of India on 1st October 1888.

5. Under the authority of the Public Works Department Code, the Inspector-General of Ordnance has, I believe, power to sanction petty works, the estimated cost of which, in each case, does not exceed Rs. 500. The cost of the petty works, as required, is included in the allotment for minor and petty works.

ORDER—dated 17th January 1888, No. 189 W., Public Works.

Ordered that the accompanying list of ordnance works, proposed by the Director-General of Ordnance for execution during 1888-89, be printed and circulated for the information and guidance of the officers concerned, and four copies forwarded to the Government of India with the intimation that the works detailed therein will, with the approval of the Government of India, be embodied in the final issue of the military works budget for 1888-89.

2. The sum of Rs. 71,800 allotted by the Director-General of Ordnance includes Rs. 3,120* for a receipt and issue godown near Arsenal Gate, Rangoon. As this work is outside the Public Works Department limits of the Madras Presidency, the grant will be replaced at the disposal of the Director-General for assignment to the Public Works Department. The difference, Rs. 68,680, will be treated as the total assignment for ordnance works of this presidency.

3. For the new workshops for the Arsenal at Bellary the Director-General has provided Rs. 18,000 on the supposition that a portion of the current year's grant of Rs. 10,000 for the work will be spent before the close of the year. But as the estimate is still unsanctioned it is not likely that there will be a large expenditure on the work in the current year. The amount allotted by the Director-General for next year may, however, stand, subject to reduction if found necessary hereafter.

4. For constructing the police guard-room at the Gun Carriage Factory, Madras, a sum of Rs. 2,570 has been provided under Major Works, but the estimate sanctioned† for the work amounts to Rs. 2,460 only. It will therefore be classed as a minor work, and the provision of Rs. 2,570 added to the lump sum grant for "Minor Works," which will then amount to Rs. 9,570. This sum will, as usual, be held at the disposal of Government; and, after providing for incomplete works of the current year, the balance will be placed at the disposal of the Inspector-General of Ordnance for appropriation for such works as he may consider necessary. Superintending Engineers will, in submitting their statements of demands for incomplete and minor works under Imperial, Military, prepare separate lists for ordnance works.

5. Plans and estimates for items 1 to 3 should be submitted as early as possible to admit of the grants being utilised, the approval and countersignature of the Inspector-General of Ordnance, Madras, being obtained in the first instance, as pointed out in paragraph 3 of the Director-General's letter.

6. The attention of all Superintending Engineers is drawn to paragraph 4, in view of the required information being furnished by those officers to the Director-General by 1st August of every year.

7. With reference to paragraph 5 of his letter, the Director-General is informed that, under paragraph 1073 of the Madras Public Works Code, the Inspector-General of Ordnance is empowered to sanction estimates for minor works to the extent of Rs. 500 in each case.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 8th October 1887, No. 1345.

I have the honor to request that the following modification of allotments may be sanctioned under Imperial Military Original Works and Repairs—

From	Amount not required. RS.	To	Amount required. RS.
Staff Sergeants' quarters, Ordnance Department, item No. 8, Imperial Military budget	10,000	New workshops in the Arsenal	10,000

2. It has been decided by you that the staff sergeants' quarters should not be commenced at present, as it has been represented to you by the Commissary of Ordnance that the new buildings in the Arsenal are most urgently required. The Executive Engineer has been authorised to collect materials for the new workshops, and to prepare plans and estimate for the work at once.

	Amount required. RS.
Minor works	1,000

3. The sum of Rs. 1,800, placed at the disposal of the Officer Commanding Ceded Districts, in G.O., No. 1981 W., dated 25th July 1887, has been fully appropriated. The sum now asked for is to meet the urgent demands of the military authorities.

	Amount required. RS.
Repairs	6,000

4. Of the grant of Rs. 25,000 four-fifths is already expended, and operations will have to cease in a month or two if no further addition is made.

From Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Public Works Department, dated Ootacamund, 18th October 1887, No. 3906 A.

In returning letter No. 1345, of 10th instant, from the Superintending Engineer, III Circle, to your address, referred to this office under your memorandum No. 3530 C. of 15th idem, I am desired to inform you that the approval of the Director-General of

Ordinance in India to the diversion of the grant for staff sergeants' quarters at Bellary in the current year's budget for the construction of new workshops in the Arsenal at that station has already been communicated to Government in the Military Department, with the intimation that the Commander-in-Chief had no objection to the proposal.

Quartermaster-General's letter, No. 3832 A., dated 11th October 1887, to Secretary to Government, Military Department.

ORDER—dated 25th October 1887, No. 2879 W., Public Works.

The following transfer of funds under Imperial Military Original Works is sanctioned:—

From	To
Twelve Staff Sergeants' quarters, Ordnance Department, Bellary	New workshops in the Arsenal at Bellary
10,000	10,000

2. The plan and estimate for the new workshops in the Arsenal at Bellary, should be submitted for the sanction of the Government without delay.

3. As there are no funds available with the Government at present, the other additional allotments required by the Superintending Engineer, in his letter recorded above, should be applied for early in December 1887.

Sir,

In continuation of my letter
No: 4171 C dated 18 November 1887, I
have the honor to state that an estimate
of Rs. 6,935 was sanctioned in G. O. No.
2558 W dated 27 September 1887 for the
construction of a new shed at the Camp
Equipage Depot, Madras. His Excellency
the Commander-in-Chief considers this
to be an Ordnance work, provision for
which should be made from the grant
for such works placed at your disposal
by the Govt. of India. I am accordingly
to request that I may be informed by
wire whether you propose to provide
for it in your schedule for 1888-89.

 Public Works Department
 Madras

Agra 2nd Jan'y 1888
 Dated

Urgent

Sir,
 With reference to the correspondence
 ending with my No 62 E. of the 15th December,
 1887. I have the honor to forward the
 following list of Ordnance works which
 it is desired should be undertaken on the
 order shown in the Madras Presidency
 during the official year 1888/89. - The
 amount available for each work is as
 entered opposite it, and is, it will be
 noted, in addition to the usual charges for
 establishment, tools and plant.

Description of work	Required for	Amount	Remarks
Workshop	Bellary Arsenal	18,000	or only 2000 of the 1887/88 allotted for this work in the March 1887.
Turners' Shop	Bombay Arsenal	10,000	
Store-rooms	do	6000	
Guard room	do	2570	
Armourers' shop	Bellary Arsenal	4550	
Receipt and Issue Store near Arsenal Gate	Rangoon do	2500	
Shed	Camp Esplanade Barracks, Madras	6935	
Minor and petty works for Ordnance establishments in the Madras Presidency, as required		7000	
	Total	57655	
Add percentage for establishment, tools & plant		11145	
	Grand Total	71800	

or only 2000 of the 1887/88
allotted for this work in the
March 1887.

If desired, this will be
communicated direct
to the Public Works
Dept. British Burma

2. - I trust every endeavour will be made to prepare the necessary plans and estimates as soon as possible, and to finish the work in question before the 31st March, 1889. -

3. - As heretofore, the plans and estimates, when ready, should be sent to the Inspector General of Ordnance, Madras Circle, for approval and countersignature. -

4. - I shall be obliged by being informed on 1st August, 1888, of the progress made towards the completion of the several works, and whether they are all likely to be completed, or not, before the end of 1888/89, to enable me to frame the annual statement of buildings for 1889/90, which is due to the Government of India on 1st October 1888. -

5. - Under the authority of the Public Works Department Code, the Inspector General of Ordnance has, I believe, power to sanction petty works the estimated cost of which, in each case, does not exceed Rs 500. The cost of the petty works, as required, is included in the allotment for minor and petty works. -

I have the honor to be

Sir

PUBLIC WORKS DEPARTMENT.

No 189 W

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Under date the 17th January/88

Read the following

The Director General of Ordnance in India S.E. & P.
90 b. 42 and 43

Ordered that the accompanying list of Ordnance Works proposed, by the Director General of Ordnance for execution during 1888-89, be printed and circulated for the information and guidance of the officers concerned, and four copies forwarded to the Government of India with the intimation that the works detailed therein will, with the approval of the Government of India,

pp 179

India, be embodied in the final issue of the Military Works Budget for 1888-89.

2. The sum of Rs 7,1800 allotted by the Director General of Ordnance includes Rs 3,120 for a receipt and issue godown near Arsenal Gate Pangoon.

Works	Rs 2500
Establishment	620
and tools & plant	
total	Rs 3120

As this work is outside the P. W. Department limits of the Madras Presidency, the grant will be placed at the disposal of the Director General for assignment to the P. W. Department of British Burma. The difference Rs 68,680 will be treated as the total assignment

189
18

assignment for Ordnance works of this Presidency.

3. For the new workshops for the Arsenal at Bellary the Director General has provided Rs 18,000 on the supposition that a portion of the current year's grant for the work of Rs 10,000 will be spent before the close of the year. But as the estimate is still unsanctioned ~~and there is not likely that there will be a large expenditure on the work in the current year.~~ ^{It is not likely that there will be a large expenditure on the work in the current year.} The amount allotted by the Director General, ^{for next year} therefore, may stand, subject to ^{reduction} ~~re-appropriation~~ if found necessary hereafter.

4. For constructing the police

police guard room at
the Gun Carriage Factory,
Madras, a sum of Rs 2570
has been provided under
Major works, but the
estimate sanctioned for the
work amounts to Rs 2460
only. It will therefore
be classed as a minor work
and the provision of
Rs 2570 added to the
lump sum grant for "minor
works" which will then
amount to Rs 9570. This sum
will, as usual, be held at
the disposal of Government,
and, after providing for
incomplete works of the
current year, the balance
will be placed at the
disposal of the Inspector
General of Ordnance for
appropriation

appropriation for such
works as he may consider
necessary. Superintending
Engineers will, in
submitting their statements
of demands for incomplete
and minor works under
Imperial Military, prepare
separate lists for Ordnance
Works.

5. Plans and estimates
for items 1 to 3 should
be submitted as early as
possible, to admit of the
grants being utilised, the
approval and countersignature
of the Inspector General
of Ordnance, Madras,
being obtained in the first
instance, as pointed out
in para 3 of the Director
General's letter.

6. The attention of all

189.
1920

Suptg: Engineers is directed
to para 4, in view to the
required information
being furnished by those
officers to the Director
General by 1st August
of every year.

7. With reference to
para 5 of his letter, the
~~attention~~ of the Director
General is informed that
under para 1073 of the
Madras P.W. Code the
Inspector General of Ordnance
is empowered to sanction
estimates for minor work
to the extent of Rs 500 in
each case.
