GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General
Establishment.

Read—the following papers:—

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department (through the Chief Engineer for Irrigation), dated 28th May 1888, No. 537 K.S.

With reference to G.O. No. 1307 W., of the 3rd instant, reconstituting the Gudivada temporary division, and calling for the submission of a nominal roll showing the proposed distribution of the existing executive staff of the Kistna Eastern division between the two divisions, I have the honor to forward, herewith, a statement in the form of distribution return of officers and subordinates, embodying the information required above.

2. There are, at present, no Executive Engineers in the Kistna Eastern division against the two sanctioned. Should an Executive Engineer be posted for charge of the Kistna Eastern division, I beg to propose placing Mr. A. M. Hayes, Senior Assistant Engineer, in charge of the Gudivada division, he being made an Officiating Executive Engineer. By doing so, one of the following members of the existing staff will be available for transfer elsewhere:—

- (1) Mr. C. H. D. Marjoribanks, Assistant Engineer.
- (2) Mr. W. A. Mathews, Sub-Engineer.
- (3) Mr. T. Subrahmanya Iyer, Supervisor.

3. I propose to divide the Gudivada division into two sub-divisions as heretofore:

- (1) Head-quarter sub-division.
- (2) Cowlaram sub-division.

The former to be held by the Executive Engineer himself, and for charge of the latter only a sub-division officer is allowed.

4. I beg to send in a statement of proposition for the additional clerical and menial establishment required for the new division office for your approval and sanction of Government from 1st June 1888, or from any subsequent date. I have simply provided the same office establishment for the Gudivada division that existed before its amalgamation, with this exception, that no sub-division establishment is allowed for the Gudivada or head-quarter sub-divisions, which, as stated above, will be worked by the Executive Engineer himself without any additional establishment.

I trust that an Executive Engineer may be sent at an early date for the Kistna Eastern division, so that Mr. Hayes may take charge of the new Gudivada division, which is suffering much for the want of an efficient officer.

Captain, R.E.,
Under-Secy. to Govt., P.W.D.

Thro' The Chief Engineer,
For Irrigation,

Sir,

With reference to G.O. No 1307 W
of the 3rd Instant, reconstituting the Gudivada
Temporary Division, and Calling for the
submission of a nominal roll showing the
proposed distribution of the existing Executive
staff of the Krishna Eastern Division between
the 2 Divisions, I have the honor to forward
herewith a statement in the form of Distri-
bution Return of Officers and Subordinates,
 embodying the information required above.

2. There are at present no Executive
Engineers in the Krishna Eastern Division against
the 2 sanctioned. Should an Executive Engineer
be posted for charge of the Krishna Eastern
Division

Division, I beg to propose placing Mr. S. M. Hayes, Senior Assistant Engineer, in charge of the Gundera Division, he being made an Assistant Executive Engineer. By doing so, one of the following members of the existing staff will be available for transfer elsewhere.

(1) Mr C. H. W. Marginebanks, Esq. Mgr.

(2) Mr W. A. Matthews, Sub Engineer

(3) Mr J. Subrahmanya Siva, Esq. Supt. Engineer

3. I propose to divide the Gundera Division into 2 Sub Divisions as heretofore.

(1) Head Quarter Sub Division.

(2) Southern Sub Division.

The former to be held by the Executive Engineer himself and for charge of the latter, only a Sub Division officer is allowed.

4. I beg to send in a statement of proposition for the additional clerical and menial establishment required for the new Division Office for your approval and sanction of Government from 1st June/88 or from any subsequent date. I have simply provided the same office establishment for the Gundera Division that
