GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Military Works.

READ—the following papers—

From the Examiner of Public Works Accounts, dated Madras, 30th April 1888,  
No. 1418.

With reference to G.O. No. 969 W., dated 24th March 1888, communicating Military Department G.O. No. 1937, dated 19th March 1888, conveying sanction to the institution of an establishment of lady nurses for military hospitals, I request that you will be good enough to obtain the early orders of Government as to whether this department is to provide quarters; if so, the rates of rent, at which bungalows should be hired for the lady superintendent and nursing sisters, respectively, when public quarters are not available, should be fixed.

2. It is presumed that the requisite furniture, not included in appendix E, will not, under Code para. 1074, be supplied by this department, see also G.O. No. 1068, Military Department, dated 21st February 1881, communicated with G.O. No. 576 W., dated 4th March 1881, pages 63 *et seq.* of the appendix, to which give a complete list of all furniture for hospitals, which have to be supplied by the Commissariat Department.

No. 121 D.

Referred to the Military Department for early orders.

From Colonel M. PROTHEROE, C.B., C.S.I., Officiating Quartermaster-General,  
to the Secretary to Government, Military Department, dated Ootacamund,  
9th May 1888, No. 1849 A.

In returning correspondence received under your endorsement No. 3069, of the  
7th instant, I am desired to observe that doubtless when the Government of India

finally determines that lady nurses shall form part of the permanent military medical establishment, they will be included in the list of persons to be provided with quarters by building, purchase, or hire, all necessary details for the guidance of the Public Works Department, which will then be charged with the duty of providing the necessary accommodation, being at the same time laid down.

2. Meanwhile, the arrangements in connection with lady nurses recently ordered in the Military Department are looked on as merely tentative ones, and, in the absence of any instructions to the contrary, the rent of houses, which it may be necessary to hire for lady nurses anywhere under the sanction given, will have to be met in the Military Department at present.

3. Similarly, when a scale of furniture is fixed for lady nurses, it will no doubt be included in the lists in appendices 18 to 21, Army Regulations, volume V, Commissariat, but it should be noted that possibly by the time the scale is issued, the duty of supplying furniture will have been transferred to the Public Works Department.

No. 1107.

Re-enclosed. The duty of hiring quarters for all military establishments rests with the Public Works Department, in which department the charges for the hiring of the buildings are likewise adjusted, and as the establishment of lady nurses for military hospitals forms part of the military establishments of this Presidency, it appears to this office that the rent of the buildings hired for them should be paid and adjusted in the Public Works Department.

No. 4132, Military.

Transferred to the Public Works Department and the referred papers returned.

ORDER—dated 26th June 1888, No. 1909 W., Public Works.

Communicated to the Examiner, Public Works Accounts, and the Superintending Engineer, V Circle.

2. The Public Works Department will hire the requisite quarters if no public buildings are available. The scale of rent has not yet been fixed. Special sanction should, therefore, be applied for in each case, but this should not prevent the immediate provision of quarters under orders already issued to the Superintending Engineer.

3. The scale of furniture is laid down in G.O. No. 909 W., dated 24th March 1888. This should be provided by the Public Works Department in the first instance, and pending definite instructions which will doubtless be issued by the Government of India hereafter.

4. A copy of these proceedings will be forwarded for the information of the Government of India.
