From *Mutford Smith*

To Mr & Chief Esq^r

Sir

1. Having passed the medical board and sent in my application for furlough to Europe on sick certificate, I have the honor to inform you that I desire, for private and urgent reasons, to remain in Madras till the 27th inst. on which date the *Junna*, in which I wish to leave, sails.
2. If however I do this I shall exceed my subsidiary leave of ten days by four days, as I handed over charge of the *Tampe Dist* on the 12th afternoon and consequently my subsidiary leave terminates properly on the 23rd inst. under proviso of sec 67 of the Civil Leave Code, Govt will, under special circumstances, allow furlough to ^{subsidiary leave} count from the date of ~~sailing~~, even if the ten days subsidiary leave has been exceeded.
3. I have the honor, *Tampe*, to request that you will be good enough to obtain for me the privilege provided for in the para of the Civil Leave Code alluded to above.

I have the honor,
to be Sir,
your most obedient servant
Mutford Smith

Mr. Smith's letter may be misleading, but as it stands it seems quite clear that his detention in Madras is not due to any cause beyond his own control, and consequently, Government cannot accede to his request.
